## Who We've Served

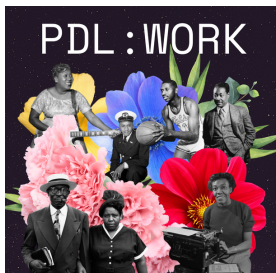

## How We Can Help

### Literacy

We've written a book called Purpose Driven Work which allows for group engagement, literacy projects, and programming

### Hip Hop

We've distributed music that has a positive influence and introspective to help engage youth such as PDL:Work, New Ending, and more

### Production

We have a technical skill set using various DAWs such as FL Studio, Logic Pro. We teach how to produce content using equipment such as microphones, DSLR cameras, interfaces, DAWs and more

Since 2019, we've been able to partner with organizations to engage youth and young adults through programs that focus on Science, Technology, Engineering, Arts, & Math (STEAM)

## HIP HOP LITERACY

We've partnered with The Literacy Lab to bring a literacy program to their Fellowship program, using our book "Purpose Driven Work".

## HIP HOP CREATIVE LAB

We've partnered with the Boys & Girls Club (Metro Richmond) to bring Literacy and Creative Labs using Hip Hop.

## CUSTOMIZED PROGRAMMING

We've parted with the City of Richmond, Chesterfield County Public Schools, VA Ready, and more to provide customized programming to engage youth and young adults
