

About the game

Big Atlantis Frenzy is a colourful slot inspired by the sunken Atlantis island. The game has a feature of self-dependent change of a reel size by a player. Apart from it the game features are Bonus symbols, Wild symbols, Free Spins, special Fish symbols with a random amount of money on them and Buy Chance, allowing to increase the chance of Free Spins fallout.

How to play

The game features win lines. The number of win lines can be 5, 10 or 20 depending on the reel size that can be chosen by a player. Choose the bet size using the buttons in the Total bet field. Higher bets will increase a total win. The bet value chosen is displayed in the corresponding field. To start the reels spinning, click the Spin button.

Auto play

Click the **Auto spins settings (A)** button to choose the number of rounds to auto play. Autoplay starts when you click the number of rounds and Autoplay button shows the amount of remaining spins.

You can choose additional settings for the **Stop of auto spins**:

- on any win - autospin will stop after you win
- if bonus game is won - autospin will stop when the bonus game is won
- if single win exceeds - autospin will stop when a single win is above the written sum in the field
- if cash balance increases by - autospin will stop when the current balance is above the sum written in this field
- if cash balance decreases by - autospin will stop when the current balance is below the sum written in this field

To stop the spins click **Stop Autospins button**

Features

Reel size. A player can choose a reel size in the main game – it can be 5x3, 5x4 or 5x5. If the reel size is 5x3, there are 5 paylines, 5x4 - 10 paylines, and 5x5 - 20 paylines. The reel size is adjusted by the arrow at the top of the screen on the right.

Bonus symbol. Can appear on any of the reels during the main game. 3+ Bonus symbols dropped on the reels trigger Free Spins.

Free Spins. 3 or more Bonus symbols appearing on the reels trigger Free Spins round. The number of initial Free Spins depend on the number of Bonus symbols: 3 Bonus symbols – 10 Free Spins, 4 Bonus symbols – 15 Free Spins, 5 Bonus symbols – 20 Free Spins.

Wild symbol. Appears during the Free Spins round. It can drop on any reels and replaces any symbol except Bonus symbols and Fish symbols. Every 4th Wild symbol retrigger the feature and gives 10 additional Free Spins. The feature can be retriggered 3 times. In the first retrigger x2 multiplier is applied, in the second retrigger - x3 multiplier, in the third retrigger - x10 multiplier. In each case the multiplier applies to the total win of every Free Spin. Extra Free Spins are played after the end of the previous stage of Free Spins.

Fish symbols are special symbols having random amount of money on them. If 3 or more Fish symbols appear on a payline in the main game, they pay the sum of the amounts appeared on each Fish. During Free Spins Fish symbols appear on reels 2, 3, 4, 5, that's why they pay only if Wild symbol appears. In this case they pay the amount appeared on each Fish regardless of the position of Fish symbols and Wild symbol.

Buy Bonus. A player can buy Free Spins with the current number of lines or activate Buy Chance – chance x3 of Free Spins fallout.

Spin Results

If a winning combination is formed along any active payline, it will become animated and the win amount is displayed in the **Total Win** field.

- All symbols pay left to right on consecutive reels of an active payline.
- Coinciding wins on several active paylines are added.
- Payouts are made according to the paytable.
- Payline wins are multiplied by the bet per line value, except for Bonus symbols.
- Note that only the highest win is paid on each of the active paylines.
- The spin can result in triggering Free spins. Free spins are played at the same bet and lines as the round activating these spins.

To learn the game payouts, click the **Information (I)** button.

Settings

The setting button opens a panel with game speed and volume settings.

- Quick spin - the speed of spinning reels increases
- Spacebar to spin (can be used instead of clicking the Spin button)

Here also are sound effects and background music settings:

- Volume adjustment, including its complete turn off
- Turning the music (using checkmark)
- Turning the sound effects (using checkmark)
- To play in the left hand mode on mobile devices, put the corresponding checkmark in the settings.

Return to Player.

The overall theoretical Return to Player (RTP) is {RTP_VALUE}%.

RNG

The game is based on a certified random number generator. For more information, visit <https://www.bgaming.com/>.

Additional information

Malfunction voids all plays and pays! All unfinished rounds will be terminated every six hours. If the game requires “Collect” - “Collect” will take place and the win from the round will be added to the player balance. If the game requires action from a player, the result is counted assuming that the player has chosen the action with no risk without raising the initial bet. This is the game rule version 1.0, dated May 19, 2022.

The Game Rules as published on this website are in English. Translations into other languages are provided as a service in good faith. In the event of ambiguity between an English version and a translation, the English version always retains priority.
