

## About the Game

Well-designed fruit slots are never enough! Miss Cherry Fruits is one more traditional-style game in the BGaming collection! The title surprises players with fresh gorgeous graphics and impressive features!

20 lines hidden in the slot are paid both from left to right and from right to left! At the same time, Wild symbols dropped on the reels always expand occupying upper and lower spots and gifting one respin which can be re-triggered up to 3 times! With the RTP of 95.3, the simple but generous slot is a good reason to try your luck! Jump into the game and multiply your bet up to x900!

## How to play

The game features win lines. Choose the bet size using the buttons in **Total bet field**. Higher bets will increase a total win. The bet value chosen is displayed in the corresponding field. To start the reels spinning, click the **Spin button**.

## AutoPlay

Click the **Auto spins settings (A)** button to choose the number of rounds to auto play. Autoplay starts when you click the number of rounds and Autoplay button shows the amount of remaining spins.

You can choose additional settings for the **Stop of auto spins**:

- on any win - autospin will stop after you win
- if single win exceeds - autospin will stop when a single win is above the written sum in the field
- if cash balance increases by - autospin will stop when the current balance is above the sum written in this field

- If cash balance decreases by - autospin will stop when the current balance is below the sum written in this field

To stop the spins click **Stop Autospins** button

## Features

**Expanded Wild.** Every appeared Wild symbol expands on the whole reel, occupying the upper and lower spots. The player wins if after the expanding process a winning combination with these Wilds is formed.

**Respin feature.** One or more Wild symbols dropped on the reels trigger 1 Respin. If during the Respin feature another Wild symbol dropped on the reel, the player gets one more Respin. Players can get up to 3 Respins in a row.

## Spin Results

If a winning combination is formed along any active payline, it will become animated and the win amount is displayed in the **Total Win** field.

- All symbols pay both left to right and right to left on consecutive reels of an active payline.
- Payouts are made according to the paytable.
- Payline wins are multiplied by the bet per line value.
- Note that only the highest win is paid on each of the active paylines.

To learn the game payouts, click the **Information (I)** button and choose the Payments button.
