- If you guess the color, your stake is doubled. If you guess the suit, your stake increases 4 times.
- If you win, you can collect your winning amount or risk to increase it again. To collect your win and return to the main game, click on the cash-bag.
- If you lose, the gambling round will stop automatically and you will return to the main game.

To play Gamble in Auto play mode, please tick the checkbox **On any win** in Auto spin setting menu.
