KIP/CHICKEN - KERRIE/CURRY!!!

Please feel free to order any cocktail you desire, we will be delighted to make it for you. Our goal is to serve you a fair combination between price and quality. We chose particular spirits in our cocktails to give it a special 'HACHI' twist. If you would like any other spirit in your drink, please let us know.

We work with several homemade products and fresh fruits; there is a chance we can run out of it. We will use our creativity to create a drink for you that will be nearly similar to the drink you ordered or maybe even better....

BE HACHI, BE HAPPY
