#### Purpose/Objective

The purpose of the PTA is to arrange various events to raise funds for Swillington Primary School. Our top priority this year was to try to get grants and raise funds towards buying a MUGA (multi use games area) to provide an all weather facility for the school.

#### Achievements 2019/2020

Due to the current unforeseeable covid situation we were only able to run events from september 2019-Mar 2019.

Calendar of events we successfully arranged have been;

#### 2019

Oct - Halloween Disco

Nov - Dress Down Day

Dec - Christmas Fair

- Christmas play stall

#### 2020

Mar - Mother day -photo frame poem which the kids decorated

July - Y6 costco pizza and ice cream sundae party

#### **Volunteers**

We would like to thank all our committed volunteers who have helped out either preparing or running events. We had some new help from parents who stepped into help last minute at the Christmas Fair.

Hopefully these volunteers may help in future events and we can get some new recruits.

### **Objectives/Goals**

Due to the current covid situation we will need to think outside of the box this year, do things a little different to try and achieve our goals.

We have already sent out feedback survey to get people's thoughts and ideas

Hoping we can arrange movie nights in bubbles - kids get a slice or pizza, popcorn, drink and sweets

Online quizzes and Decorate a pumpkin (at home) competition -send their photo entries in

Jenny Bray and Samantha Penny

#### **Membership and Communication**

It's been a strange year due to Covid-19 closing down schools for the majority of pupils from March 2020 and have only just opened up September 2020. As a consequence of this, all fundraising activities and membership awareness were halted.

It provides us further challenges this year for fundraising due to the limitations of gatherings and this year will certainly be one where we have to think outside the box.

One of our key aims is to increase the PTA membership. We need to ensure that the message is received that it does not necessarily need to be a 'full time' job but any help that can be received at any event would be gratefully received.

We've found that communication is incredibly important and even with social media and letters, a lot of information still does not find its way to the parents. The key is consistency and repetition. We need to ensure that social media posts are clear and precise and that the information is shared in a variety of ways (posters / social media / letters ). There is also a new mailing list that parents can join to be alerted to events and activities.

We are pleased to confirm that there have been no incidents this year.

Membership Numbers can be found in Appendix A Event Information can be found in Appendix B Incident Reports can be found in Appendix C

#### **New Direction / Expansion**

One key aim is to increase PTA Membership to support the existing members. A drive needs to be done to ensure that all the new parents to the school are aware of us. Last year we suggested a board in the school with all the events and PTA members and contact details would be a good asset. However, as parents are currently not allowed to enter school this can be halted. Social media has become ever more important but the reach is not always assured.

An online survey is currently being conducted via MailChimp to parents in regards for fundraising ideas and willingness to support the PTA.

P@SS has been signed up for Amazon Smile, EveryClick and Give as You Live in an attempt to raise more

funds.

Our Fundraising Targets and purchases can be seen in Appendix D
