

SEND Information Report – Swillington Primary School

Information Report for Pupils with Special Educational Needs and Disabilities -September 2023-2024

1. The kinds of Special Educational Needs and disabilities (SEND) that are provided for by Swillington Primary School.

There are 4 broad categories of need as described by the 2014 Code of Practice, which we provide for within school. These are:

- **Communication and Interaction**
This includes children with speech and language difficulties and those who demonstrate features within the autistic spectrum.
- **Cognition and Learning**
This includes children who demonstrate features of moderate, severe, profound or specific learning difficulties such as dyslexia, dyscalculia or dyspraxia.
- **Social, Emotional and Mental Health**
This includes children who have significant difficulties in managing their emotions and behaviour. Children may also be withdrawn, hyperactive or lack concentration.
- **Sensory and/or Physical Needs**
This includes children with sensory, multisensory and physical difficulties.

2. Who to contact at Swillington Primary School regarding an SEND query.	<p>The Special Educational Needs Coordinator (SENDCO) at Swillington Primary School is Laura Rhodes</p> <p>They can be contacted through the school office as follows:</p> <p>Email: office@swillingtonprimary.com</p> <p>Phone: 0113 2863220</p>
3. The systems in place for identifying a person who may have Special Educational Needs and Disabilities	<p>At Swillington Primary School we identify the needs of pupils by considering the needs of the whole child, not just his or her special educational needs and disabilities.</p> <p>In identifying a child as needing SEND support, the class teacher, working with the SENDCO, will carry out a clear analysis of the pupil's needs. This will draw on:</p> <ul style="list-style-type: none">• The teacher's assessment and experience of the pupil• Their previous progress and attainment• The views and experience of parents, the pupil's own views and, if relevant, advice from external support services. <p>Children identified as having SEND may be monitored by the class teacher, given extra support through group or individual interventions by appropriate staff, a learning support assistant, or placed on the SEND register if appropriate. There are times when a child's SEND requirement may already be in place before they arrive at school through consultation with outside agencies.</p>

4. The systems in place for monitoring, assessing and reviewing pupils progress towards outcomes.	We offer a Graduated approach to SEND support. This means we carry out the process of Assess, plan, do, review on a regular basis to make sure we are continually meeting the individual needs of children in our school.

5. The approach to teaching pupils with Special Educational Needs and

At Swillington Primary School we ensure all pupils have access to High Quality First Teaching. We believe that successful teaching and learning is not just about good lessons; it stems from the culture and environment we create. We believe that by developing

SEND Information Report – Swillington Primary School

<p>Disabilities at Swillington Primary School.</p>	<p>emotional intelligence and creating the appropriate supporting conditions all children will thrive, because all of this impacts on how children behave as learners.</p> <p>As such, we aim to create a positive learning environment with:</p> <ul style="list-style-type: none"> • Different approaches to learning so all children can access learning • Children taking responsibility for their own learning, including SEND children having responsibility of their own targets • All children working collaboratively together, supported by adults and children alike • Making mistakes is integral to learning and children are supported in how to improve from these • Effort of all children is rewarded • Positive exchanges are predominant
<p>6. The adaptations made to the curriculum for pupils where needed.</p> <p>6. Continued</p>	<p>Our vision, Finding the talent in everyone! the full breadth of subjects, and to be equipped with the communication skills and personal attributes to enable them to be successful global citizens. Based on the National Curriculum, we have developed a Swillington curriculum which has clearly sequenced content and progression for our mixed-age classes. Our curriculum is intended to enable pupils to master knowledge and skills, yet is adapted according to their needs. Our “retrieve and revise” approach allows children to create schema that is constantly revisited and enables them to build on the solid foundations of previous learning.</p> <p>Swillington Primary School is aware children may have dyslexic tendencies and our learning environment takes this into account. Our interactive slides all have pale backgrounds with a dyslexia friendly type font so all children in the class can read it, instructions on the board are clear for all children to understand. We are mindful of cognitive overload and so slides containing new learning are kept simple, containing only key information. Where needed, adults have use visual cards to highlight instructions so the children clearly understand what is asked. Pale paper is can be used for children to write on and reading rulers are given to support children with reading by giving a coloured overlay to their books.</p> <p>When accommodating children with physical difficulties classes can be moved around to ensure fair access for all. The local authority representative, SEND and Health & Safety governors and parents will also be invited to look around and check the accessibility of the building. The school works effectively with relevant professionals (e.g. Visually Impaired Team) to enable children with specific needs to attend our school, ensuring appropriate access internally and externally.</p>

SEND Information Report – Swillington Primary School

	<p style="text-align: center;">The three levels of SEND provision within the Graduated Approach</p>  <ul style="list-style-type: none"> Universal provision <ul style="list-style-type: none"> • Pupils operate broadly within the expected range of abilities for their age, but their progress / development may occur at a somewhat slower pace than that of other pupils. • Pupils remain part of the mainstream teaching timetable for all activities. • Individual goals for improvements are identified and the quality of teaching and learning is monitored to ensure it is appropriate to pupils' needs. Targeted provision <ul style="list-style-type: none"> • Pupils progress with learning and development is at a very slow rate and more support is needed to achieve this. • Pupils may be attaining a level significantly below age-related expectations and there may be evidence of an increasing gap between them and their peers. • Evidence-based interventions (group or individual) have been identified and put in place based on the identified need. • Evidence of impact of the intervention is recorded to inform decisions about whether the intervention is still appropriate. Specialist provision <ul style="list-style-type: none"> • Pupils have significant and persistent learning difficulties despite access to appropriate learning opportunities and support. • Pupils may have life-long learning difficulties or disabilities across several areas of development and will require more specialist intervention and advice.
<p>7. The arrangements for consulting pupils with SEND to involve them in their education.</p>	<p>We recognise that all pupils have the right to be involved in making decisions and exercising choices. In lessons, children are involved in monitoring and reviewing their progress through the use of targets and success criteria. We endeavour to involve the pupils by encouraging them to:</p> <ul style="list-style-type: none"> • State their views about their education and learning • Identify their own needs and learn about learning • Share in individual target setting • Self-review progress and set new targets • Monitor their success at achieving the targets on their support or individual plan.
<p>8. The arrangements for consulting parents of children with SEND.</p>	<p>We work closely with parents to ensure:</p>

SEND Information Report – Swillington Primary School

	<ul style="list-style-type: none"> • Early and accurate identification and assessment of SEND leading to the correct intervention and provision • Continuing social and academic progress of children with SEND • Personal and academic targets are met and set effectively. <p>Meetings are held termly with parents of children on the SEND register by the class teacher, there may be occasions where the SENDCO attends as well to ensure the children are working towards their given targets and update parents on the progress. Where needed these meetings occur more frequently to make sure the needs to the children are being met.</p>
<p>9. Transition arrangements for children with SEND needs at Swillington Primary School</p>	<p>The admission arrangement for all pupils is in accordance with the national legislation are outlined in the school admission policy, this includes children with any level of SEND; those with an Education Health Care Plan (EHCP) and those without. The School SENDCO works closely with feeder schools or nurseries where there are SEND children to transfer information to aid a smooth transition, where possible a meeting will occur to do this.</p> <ul style="list-style-type: none"> • Support for children who are coming to terms with transition is carefully planned. This will include familiarisation visits and mentoring, whether this is inside the school e.g. moving between classes or transitioning to high school; additional transition days/visits are provided where necessary. • For children accessing secondary school who are more vulnerable we offer 'Travel Training' to aid their understanding of 'stranger danger' and the Green Cross Code and safety of pupil transport.
<p>10. The training of staff to support children and young people with SEND at our school.</p>	<p>Specialist training of staff working with SEND children takes place when required. In the past we have had staff undertake training in numicon, phonics, dyslexia, working memory difficulties, Team Teach positive handling and Autism Awareness. We work alongside the NHS speech and language therapist who provides specialist training to the adults in school who deliver speech and language programmes relevant to the children they are working with.</p>
<p>11. The support offered for improving emotional and social development.</p>	<p>All children are taught PSHCE (Personal, Social, Health and Citizenship Education) as part of their curriculum and this covers a wide range of aspects including keeping ourselves safe, building relationships, mental health and wellbeing. In addition to this, teachers will hold circle times and address issues within their classes when they arise.</p> <p>In school, we have a learning mentor who works with key children identified as needing extra support with their emotional and social development; this may involve 1:1 sessions or group sessions using games or Lego therapy to develop skills. The Head Teacher and Assistant Head offer children the opportunity to talk through their problems at lunchtimes if there are issues at playtimes using restorative conversations.</p> <p>We have access to a counsellor through our local guidance and support service that we can refer children to where we feel they may benefit from having someone else to talk to. We will consult with parents and seek their permission prior to arranging this.</p>

<p>12. The outside agencies that Swillington Primary School work with to ensure the needs of individual pupils are met.</p>	<p>The school has strong working relationships and links with external support services to fully support SEND pupils and aid school inclusion. Sharing knowledge and information with these support services is key to the effective and successful SEND provision within our school.</p> <p>Some of the agencies we work with include:</p> <ul style="list-style-type: none"> • Speech and Language Therapists • Educational Psychologists • Local Authority Special Educational Needs and Inclusion Team • Autism Specialists <ul style="list-style-type: none"> • Place2Be • The Deaf and Hearing Impaired team • Occupational Therapists • Local Guidance and Support Team (family support, counselling)
<p>13. Which policies do you need to look at to find further information about SEND provision at Swillington Primary School</p>	<p>The following policies are available to find out more about the identification, provision and assessment of pupils with SEND within our school:</p> <ul style="list-style-type: none"> • SEND policy • Safeguarding and Child Protection Policy • Supporting Pupils with Medical Needs Policy • School Behaviour Policy • Teaching and Learning Policy • Equality Opportunities Policy • Accessibility Plan
<p>14. The way to raise a complaint regarding the provision of SEND children.</p>	<p>Should a parent or carer have a concern about the additional provision made for their child, they should, in the first instance, discuss this with the class teacher and/or SENDCO. If the concern cannot be satisfactorily dealt with at this stage, it should be brought to the notice of the Head of School. The BLP Complaint Policy is published on the BLP and school website.</p>
<p>15. How accessible is the school?</p>	<p>Link to accessibility plan</p>
<p>16. School resources and funding linked and matched to children's needs.</p>	<p>information report</p>
