Funding by Location

Funding by Focus Areas

Community Grant Impact Areas

Livability

Uplifting individuals and families through partnerships that address affordable housing, childcare, food security and transportation.

Health and Wellness

Cultivating a healthy community by ensuring the accessibility of physical and behavioral health services, robust recreational opportunities, and reduced cost barriers to care.

Environment

Supporting partners whose work is to protect this wild and wonderful place and its wildlife and natural resources now and for generations to come.

Education

Prioritizing safe, accessible, quality, and diverse lifelong learning for all community members, from infancy to adulthood.

Arts & Culture

Investing in programs that promote arts and culture as a means for individuals to create, connect, and cultivate a sense of pride and belonging.
