

Kent Clothier reached 800k+ people from Swimm Social's video editing and content

Our team provided a high-quality solution that can deliver projects under tight deadlines with minimum details. We have become a second-team who now creates Social Media Content, YouTube Videos, Graphic Designing, and more for all of his businesses while increasing engagement and sales. Our work includes large events with thousands of attendees and high-value speakers such as Grant Cardone, Eddie Speed, Tony Hawk, Billy Gene, and more!

The Results.

800,000+ accounts reached

300,000 likes and comments

100+ published social content

10+ events and conferences

The Services.

- Graphic Design
- Social Media Content Strategy
- Video Editing
- Social Media Ad Creation

Sidney and his team at Swimm Social are AMAZING! I had them working on both social media and video content and they did not disappoint. One thing that stood out for me with Sidney and his team was their knowledge of pop culture and what ACTUALLY trending in terms of marketing. They are ahead of the curve and I'm so glad I found them.
