

Loop Legal Status

Last updated: 01/10/2020

OurLoop Stichting (Loop) was registered by the Dutch Authorities as a Charitable Foundation on the 24th of April 2020 with RSIN number: 861193660. Loop has also been granted Equivalency Determination status as a US Public Charity 501c(3).

The deed under article 2 states that the objectives of the foundation are:

- to enable the most marginalised, vulnerable and under-served people to share their experiences in a safe, open and transparent way, to affect positive social change at the individual, community and global levels;
- to improve the provision of aid to people affected by a crisis.
-

This objective will be pursued by, inter alia, setting up and maintaining a global digital platform that enables people who are affected by crisis and receiving aid to feedback in a neutral and transparent manner to improve the aid provided.
