YARROWS - A FAMILY BUSINESS

Yarrows the Bakers is one of the largest remaining independently owned bakeries in New Zealand. Yarrows was founded by Alfred Yarrow in the small South Taranaki township of Manaia in 1923.

Proudly owned and operated by the third and fourth generation of Yarrows (John, Rosaleen and Philip Yarrow), our state of the art Manaia bakery operates 24 hours a day, seven days a week. We supply an extensive range of breads, speciality breads, rolls, croissants, gourmet cookies and other quality bakery products to leading supermarkets, retailers and food companies throughout New Zealand and around the globe.

At Yarrows, we have a long standing history of blending the latest technologies with traditional bread making methods. Today we continue this pioneering spirit, travelling the world to source the latest technological innovations and learning new baking and production techniques to ensure we remain at the leading edge of the Industry.

FROZEN DOUGH

Yarrows frozen dough products are supplied ready to thaw, prove and bake, making them easy to prepare in store, providing daily fresh products to your customers. Our local recipes offer an authentic flavour and our automated production process ensures consistency across our product range.
