TESTIMONIALS

"The best place in Revy! We were so happy with our stay at the Basecamp Resorts in Revelstoke. The location is amazing and quiet! The room are so complete, clean and modern with the kitchenette offering everything you need. The hot tub makes the best après ski too! Thank you we will be back!"

"Amazing pet friendly place! The property has everything that you need: full kitchen with refrigerator, microwave and stove. It comes with some pans, cutlery and other kitchen accessories. The bed is comfortable and the place was extremely clean. I didn't use the washer and drier, but it is very handy to have it as part of the room."

"My friend and I stayed here and we had a HOOT! It's sooo incredibly beautiful! And our room was sooooo clean + fully stocked with all kitchen items. We will definitely be back."
