Details

Telepass can only be ordered when the amount of ViaCards on your account is equal or more.

Your Italian transactions are visible via your MyMST account where you can download the "Daily Italian Toll Spent" report even before your MSTs Tolls invoice arrives.

The Mancato Pagamento is an emergency solution for when your ViaCard does not work properly. You may submit the Mancato Pagamento online for payment on the website of Autostrade.

Please note you must pay your Mancato as soon as possible to avoid late fees.

Become eligible for Italian rebates

Register with the MSTs Consortium and become eligible for Italian rebates. Simply click on the menu "Italian Rebates" in your MyTolls account and follow the steps. More information on our consortium can be found on our MSTs Consortium product sheet.
