

## PRESS RELEASE

### **Damier Group announces the sale of its participation in Copperhead Gin to Jet Financial Services**

Kortrijk (Belgium), January 19th, 2023

#### **About the transaction**

Copperhead is a premium gin brand created by Yvan Vindevogel in 2014. Copperhead NV was constituted early 2015 as a joint venture between Damier and Jet Financial Services of Stefaan Bettens, who also distributes the brand via Jet Import.

Seven years after the succesful launch of Copperhead gin, Damier and Jet Financial Services have come to an agreement whereby Damier sells its 50% stake in Copperhead NV to Jet Financial Services.

#### **About Damier**

Damier is an investment vehicle that primarily focuses on investing or co-investing in European companies active in branded consumer sectors and more specifically in the consumer healthcare sector. Damier is also looking to acquire or invest in well-established brands or innovative technologies in the consumer healthcare, beauty, personal care, food and beverage and medical devices sectors.
