

Code of Ethics

MEIJER & CO CONSULTANCY

Meijer & Co. Code of Ethics

Integrity and Professionalism

We are committed to conducting ourselves with the highest standards of integrity, honesty, and professionalism.

We will act in a manner that upholds the reputation of Meijer & Co. and fosters trust among our clients, employees, and stakeholders.

We will refrain from engaging in any fraudulent, deceptive, or unethical practices.

Respect and Fairness

We value and respect the dignity, diversity, and rights of every individual.

We will treat all individuals fairly, without discrimination based on race, color, religion, gender, sexual orientation, national origin, disability, age, or any other protected characteristic.

We will foster an inclusive and supportive work environment that promotes equal opportunities for all.

Confidentiality and Privacy

We will maintain the confidentiality of sensitive information entrusted to us by our clients, employees, and stakeholders.

We will handle confidential information with the utmost care and use it only for legitimate business purposes.

We will respect individuals' privacy rights and handle personal data in compliance with applicable laws and regulations, ensuring appropriate security measures are in place.

Conflict of Interest

We will avoid conflicts of interest and situations that may compromise our professional judgment or objectivity.

We will promptly disclose any potential conflicts of interest and take appropriate actions to mitigate them.

We will make decisions in the best interests of our clients and stakeholders, prioritizing their needs above personal or third-party interests.

Compliance with Laws and Regulations

We will comply with all applicable laws, regulations, and professional standards.

We will strive to stay updated on legal and regulatory developments relevant to our industry and adapt our practices accordingly.

We will establish effective compliance programs and internal controls to ensure adherence to legal and ethical requirements.

Quality and Excellence

We are dedicated to delivering high-quality services and products that meet or exceed client expectations.

We will continuously improve our skills, knowledge, and processes to ensure excellence in all aspects of our work.

We will actively seek and consider feedback from clients, employees, and stakeholders to enhance our performance and service delivery.

Environmental Responsibility

We recognize the importance of environmental sustainability and will strive to minimize our impact on the environment.

We will promote responsible practices, such as energy efficiency, waste reduction, and recycling, throughout our operations.

We will comply with relevant environmental laws and regulations, and proactively identify opportunities to support environmental conservation efforts.

Social Responsibility

We will contribute positively to the communities in which we operate, supporting social causes and initiatives that align with our values.

We will encourage our employees to engage in volunteerism and charitable activities, fostering a culture of giving back.

We will maintain positive relationships with our stakeholders, demonstrating social responsibility through ethical business practices, fair employment, and community engagement.

Transparent Communication

We will communicate openly, honestly, and transparently with our clients, employees, and stakeholders.

We will provide accurate and timely information, ensuring that it is clear, complete, and understandable.

We will actively listen to and consider diverse perspectives, encouraging an open exchange of ideas and constructive feedback.

Accountability

We will take responsibility for our actions and decisions.

We will learn from our mistakes, address concerns promptly, and take appropriate measures to prevent recurrence.

We will foster a culture of accountability, encouraging all employees to act responsibly
