

A woman is lying on her back, her body illuminated against a dark background. A row of white, cone-shaped objects is placed along her spine, from her neck down to her lower back. The woman's face is visible on the right side of the frame, looking towards the camera. The overall mood is artistic and sensual.

SEVDALIZA

Sevdaliza

Musician / Director

Autodidactic Singer, Songwriter, Director and Composer, Sevdaliza is an icon in her own right. Praised as genre-bending, her work embodies elements of alternative electronic, trip-hop, punk, grime and the avant-garde. For Sevdaliza, artistic expression is reflected in every detail of her sound and imagery, blending and blurring the masculine and feminine to create art that is charged with power. Sevdaliza experiments with the simulation of identities and fantasies, creating a world where everything is possible.
