## Paid Opportunities for Speakers and Performers with Transgender Victoria

We're looking for trans and gender diverse people who would love to speak, read creative work, or perform at events. If you've got a passion for sharing your story, being on stage, or entertaining a crowd we'd love to hear from you!

All backgrounds, access needs, and experience levels are welcome. We're here to support you to bring your voice to our communities, whether it's your first gig or your last.

We strongly encourage Black + POC, First Nations, disabled applicants and people from multiply marginalised lived experiences and/or backgrounds to get in touch.

Please send a couple of sentences about yourself, your creative work and/or interest, as well as attaching any links or brief examples of your work through to [events@tgv.org.au](mailto:events@tgv.org.au)

Expressions of interest are open until 5:00PM Friday 6th January 2023
