Do you need help with Childcare Costs? If you are aged 16-19 you will need to apply for support with childcare via Care To Learn (C2L). You must apply online at www.gov.uk/care-to-learn, here you can find out more information too. In order for us to process your C2L application, you must provide us with either a letter confirming receipt of Child benefit or your child's full birth certificate. You do not need to receive the bursary to apply for C2L. If you are aged 20+ we can provide support through the bursary. You must register any children under 4 with our onsite nursery first, who will then advise on space available and whether you can receive funding at a different setting. If you are not using Queens Garden's Childcare Centre, you must choose an OFSTED registered nursery and complete our childcare contracts before we can support. All childcare support requires you to provide your child (ren's) full birth certificate. Support with 100% of fees is not guaranteed. We can only pay for the days you are in college and recommend that you use any Government funded hours in the first instance. Please tick which option you will be using Care To Learn 20+ Childcare Have you registered with Queen's Garden's Childcare Centre? Yes No No Name of Child that requires childcare funding
