HULL COLLEGE

NON-PUBLICLY FUNDED (FULL COST COURSES) FEE SCHEDULE 2022/23

This document relates to all students on courses that are not being publicly funded by the ESFA, including those students who are 'home' students, those who are aged under 16 and are not part of a curriculum school partnership or a local authority agreement, and some overseas students.

The Fee Policy is divided into separate documents to provide clarity, covering FE and HE respectively and then further divided into regulations and fee schedules. Fee schedules may vary from year to year depending upon funding guidance, while regulations are more likely to be updated less frequently.

Please note that the regulations and fee schedules are subject to amendment, due to possible changes to national funding policy.

1. The tuition rate (group rate) for students on full cost courses will be costed and charged on an individual basis.
2. Examination fees are payable in addition to the standard tuition fee - details available upon request.
3. There are no waivers for any fees for students of any age on full cost courses.
4. Students aged 16-18 on 31 August 2022 on full cost courses will have their circumstances assessed on an individual basis to determine whether they will pay a fee.
5. Where the full cost fee is payable for students undertaking Workplace Learning (apprenticeships & workplace learning courses), the fee is determined in agreement with the College.
