## BRONX GREENWAYS

The Bronx is considered the borough of parks. Though famous for its urban environment and famous sites, 25% of the borough's landmass consists of natural forest. Bronx County is also known for its extensive greenways.

**Mosholu Parkway Greenway** runs from Van Cortlandt Park to Bronx Park.

**Pelham Parkway Greenway** runs from The Bronx Zoo to Pelham Bay Park over to Orchard Beach and City Island and up to Westchester County.

**Hutchinson River Greenway** runs from the Cross Bronx Expressway to Pelham Parkway with plans to extend further north to Westchester County.

**Hudson River Greenway** runs north-south along the western edge of Manhattan ending at Inwood Hill Park, but plans will have the path going through Riverdale in The Bronx and extend up to Yonkers.

**Bronx Harlem River Greenway** will run along the Harlem River from the RFK Bridge to Van Cortlandt Park.

**South Bronx Greenway** will connect The Bronx River Greenway through Hunts Point to the Randall's Island Connector.

**Bronx River Greenway** will run from Hunts Point extending north to Westchester.

**Soundview Greenway** will connect The Bronx River Greenway to the Hutchinson River Greenway.

# WELCOME TO THE BRONX

## **A MESSAGE FROM BOROUGH PRESIDENT VANESSA L. GIBSON**

**¡Bienvenidos! Welcome! As the newly elected Bronx Borough President, I am honored and excited to share greetings in this year's Bronx Visitors Guide about our great borough that spans 12 community boards, over 50 neighborhoods and some of the best restaurants, cultural attractions, and shopping destinations in New York City.**

**Our borough has a little bit of something for everyone, and this guide will serve as a resource to you and your family to explore some of the best locations to visit during your trip to the Boogie Down.**

**You can see exciting cultural exhibits from diverse artists across the city by going to The Bronx Museum of the Arts or to Wave Hill, attend a baseball game at Yankee Stadium, eat delicious Italian cuisine on Arthur Avenue, enjoy seafood by the water on City Island, take your family on a wildlife adventure at The Bronx Zoo, partake in an activity at the 250-acre New York Botanical Garden, enjoy a nature walk through one of our local parks, take in a concert at Orchard Beach, or sit back and enjoy a drink at one of our breweries or distilleries.**

**Whatever you are in the mood to do, we have it here in The Bronx, and we are always expanding and evolving to suit the needs and interests of our residents and visitors.**

**Let the information in this guide motivate you to explore The Bronx and see firsthand what makes this borough a great place to visit. You can also view this guide on a smartphone, electronic device, or on the official website of The Bronx Tourism Council, [www.llovethebronx.com](http://www.llovethebronx.com).**

**Enjoy your time in The Bronx and please don't ever hesitate to say hello to me or my team while you are here.**

# WELCOME TO THE BRONX

## SUBWAYS & TRAINS

**Subway and train lines** in The Bronx generally run north-south, and are the best option for getting to and from the other boroughs. The **4/5/6 trains** travel to the east side of Manhattan, while the **B/D/1/2 trains** go to the west side. Subway and commuter rail maps are available from the station agent at most subway stations.

<http://www.mta.info>

**Metro-North Railroad** commuter trains run about once every half-hour on weekdays and about once per hour on weekends at most stations, providing easy access between Grand Central Terminal, the Hudson Valley and Connecticut.

<http://www.mta.info/mnr>

## BUSES

Every corner of The Bronx is accessible by bus, and it's the best way to travel east-west across the borough. The Bronx has three **Select Bus Service (SBS)** routes, the **Bx12 SBS** serving Fordham Road and Pelham Parkway, the **Bx41 SBS**, serving Webster Avenue, and the **Bx6**, servicing the south Bronx crosstown. All SBS buses require payment before boarding; keep the receipt from the ticket vending machine as proof-of-payment for the duration of your trip.

<http://www.mta.info/nyct>

## AIRPORTS

Of the three major airports in the New York City area, The Bronx is closest to **LaGuardia Airport**, just across the East River. The best way to get there by public transportation is to travel by subway or Metro-North into Manhattan and transfer at **125th street** to the **M60 SBS**.

<http://www.panynj.gov/airports/laguardia.html>

To get to **John F. Kennedy International Airport**, travel by subway into Manhattan and transfer to a Jamaica Center (Queens)-bound **E train**. At **Sutphin Blvd-Archer Ave-JFK Airport**, transfer to the **AirTrain** for service to all terminals.

<http://www.panynj.gov/airports/jfk.html>

For service to **Newark Liberty International Airport**, travel to **Penn Station** and board a **New Jersey Transit** train with service to the airport on the **Northeast Corridor Line** or the **North Jersey Coast Line**.

# WELCOME TO THE BRONX

## **A MESSAGE FROM OLGA LUZ TIRADO EXECUTIVE DIRECTOR**

After what seemed to be a lifetime of utter chaos, I am happy to welcome you, once again, to The Bronx.

The resilience of this city is truly inspiring.

As the world hit “pause” we conspired. We met on tiny screens, over the phone, in parks masked and several feet apart. We shared ideas, commiserated about losses, and at times shed a tear or two. We’ve endured and come together as the strong and cohesive community that we are and always have been. We are ready.

The Bronx Children’s Museum is opening its doors soon. The Universal Hip Hop Museum is under construction, The Bronx Museum of the Arts is open with new rotating exhibits planned for the entire year. The New York Botanical Garden Orchid Show, the Holiday Train Show and other beautiful outdoor exhibits are underway. The Bronx Zoo has tons of fun for the entire family from age one to one hundred, and tour guides are back on the streets providing great historical information about our borough. There are concerts, theater performances, sports events, and festivals happening.

We have a lot to celebrate. History has been made on several levels nationally and locally. Cultural institutions are open, tours are taking place, and most importantly, some of us are hugging again.

Our award-winning podcast, Go Bronx Pod, will be coming back for a season two focusing on neighborhoods and communities. AND we will soon be getting our brand-new trolley to offer tours that span our great borough.

The Bronx is back and we are waiting for you.
