Spell words phonetically: I am a w-r-i-t-e-r!

LANGUAGE ARTS

Make your own book: My favorite animal

Materials
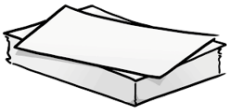

paper

scissors

pencil

green crayon

Instructions

1. Take any piece of paper and fold it into quarters to make a small book.

Cut the top, fold to separate pages - see instructions on the back.

2. Write the title of your book: My favorite animal

3. Draw a cover page to illustrate your favorite animal

4. Write down the author and illustrator of your book

5. Inside the book write down:
- what is your favorite animal
- what color is your favorite animal
- what can your favorite animal do
- what does your favorite animal eat
Draw a picture to each sentence.

A book folding instruction

Begin with rectangular piece of paper.

Fold in half, long side to long side.

Open

Fold in half by folding back, short side to short side. This folding step feels a bit odd, since the second fold opposes the direction of the first fold.

Cut the top fold from one edge to the middle crease

Fold in the front flap towards the front and the back flap to the back.

A finished single book base.
