

5 Frame Frenzy — fluently add and subtract within 5

Use 2 different colored crayons to fill in the 5 frames. How many ways can you add to 5? Write an equation for each.

Example

$$1 + 4 = 5$$

$$\square + \square = 5$$

$$\square + \square = 5$$

$$\square + \square = 5$$

$$\square + \square = 5$$

$$\square + \square = 5$$
