

ULTRA-LYTE Disinfectant

Ultra-Lyte is a clinically proven, **all-natural** fog or spray-on sanitizer/disinfectant. The electrolyzed water technology (HOCl) is more effective than bleach yet non-toxic, biodegradable, and non-irritating. Ultra-Lyte's PH is neutral making it totally **safe for humans, animals and aquatic life**. It is a rinse-free antimicrobial that kills bacteria and viruses as well as mould and eliminates odours. DIN and EPA Certified and **approved by Health Canada to kill COVID-19**.

Ultra-Lyte is **ready to use** with no mixing required, just spray, wipe or fog. Non-irritating to the skin, non-corrosive to treated articles and is an odour free formula. Ultra-Lyte will **kill 99.999% of bacteria and viruses** on all surfaces.
