What is Purple Teaming?

- Why should organizations use a threat-informed defense and purple-team approach?

- What is purple teaming?

- Who is it for?

- How do you do it?

- What comes after a purple team engagement?
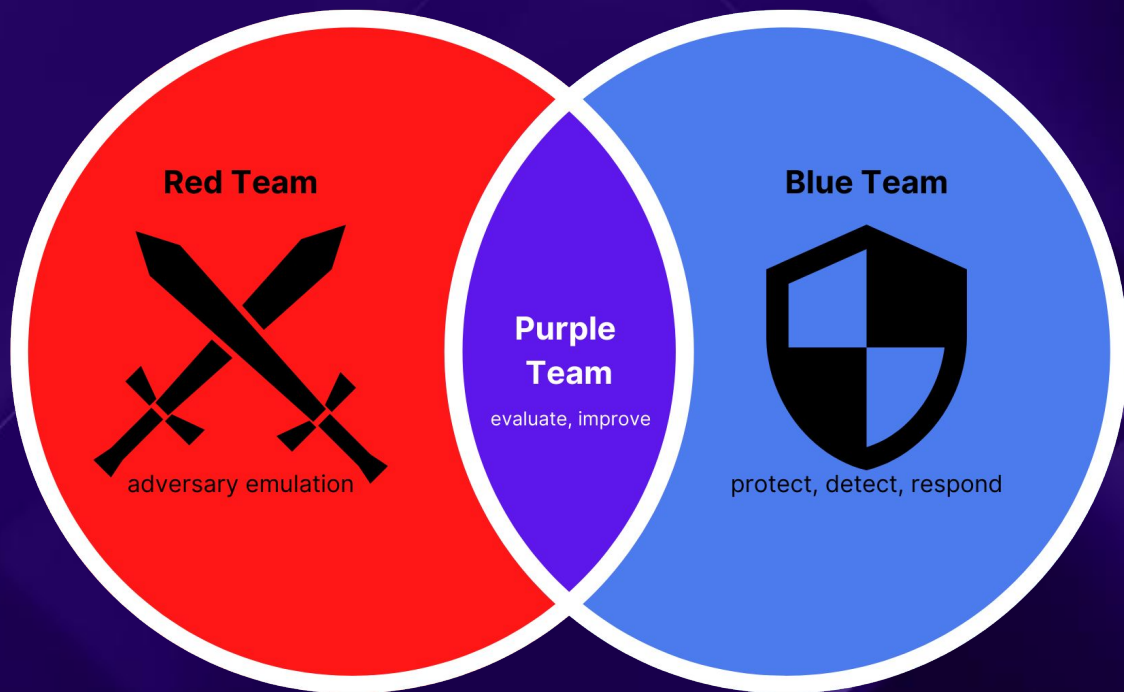

What is Purple Teaming?

- What is the state of sharing information about how to conduct purple teaming? Is it hard to come by this information? What resources are out there?

- How do you facilitate the communication between the red and blue teams? How do you help blue teams and red teams get familiar with each other's worlds?

- Is there a minimum number of people that you need to have involved in a purple teaming event?

- How long is a typical purple team event? Can they span hours, days, or weeks?

- How do you structure a purple team to maximize the benefit?
