

### Returning the Nimbus™ Pump

For your convenience, your Nimbus pump original packaging comes with a prepaid mail label addressed to: **InfuTronix Solutions, LLC**

At the **END** of infusion, remove tubing from the pump by pressing the black button on the bottom right corner and sliding the silver bar toward it at the same time.

Discard the tubing and place the pump inside the packaging. You can use the prepaid mail label as a sticker to seal the package.

Put the package in your mailbox for your local courier to pick up or simply drop off the package at any blue USPS public mailbox.

This product is recyclable as a part of our green initiative!
