The Tom-Wat Show*Case program is the most profitable fundraiser when times are good ... and even better when the going gets tough.

Why? Because it's the *only* fundraiser that offers your supporters full value for their money while giving them the opportunity to actually see the products they're buying *before* they order.

It all started 38 years ago with a Cub Pack.

... and today it's still the perfect fundraiser for Units with 15 to 50 Scouts.

If your Unit needs to raise \$2,000 to \$5,000 or more this Fall, why give up? Call up. Call up Tom-Wat and we'll send you \$60 worth of Tom-Wat Fall fund-raising products to examine and *keep* before you make your decision. We'll also send you complete details on the Tom-Wat Show*Case program so you'll know exactly how it works ... why it always works so well ... and why it's now working better than ever in difficult times.

YES, send ABSOLUTELY FREE Tom-Wat Show*Case Assortment of products (worth \$60) plus complete details without cost, risk or obligation—except to show the sample to our committee. I understand everything is ours to keep even if we decide not to conduct a Tom-Wat project.
