

Meredith Horan

**Primary Teacher -
technical & textile design**

“Making cross-disciplinary and cross-cultural connections through art is central to my educational philosophy. I enjoy seeing my students express their individuality through art while discovering their strengths.

Our students are incredibly creative, and it is energising to see their passion for learning new handicraft techniques. ”

Professional experience

- Elementary Art Teacher, Lexington/Richland School District Five, South Carolina, USA

Qualifications

- Master of Arts in Teaching, Lander University, USA
