

For August 2024 we are seeking an additional teacher for the subject

Crafts, Design, Technology

approx. 40%

The school

- We are a small, private, bilingual day school with approximately 130 students (Pre-Kindergarten to Grade 6) at each campus in Horgen and Küsnacht
- We follow *Lehrplan 21* enriched with international curricula
- As a non-profit school we offer a familiar and stimulating environment with an international mindset
- Our reputation for excellent working conditions includes a remuneration package which is based on the Canton of Zurich public school pay scale alongside other attractive benefits

The role

- As a Crafts, Design, Technology teacher you will instruct classes across our Primary School
- Our CDT curriculum is based on *Lehrplan 21*
- You will only teach in your native English language

What you can look forward to

- A supportive and familiar team
- Students who are creative and keen to learn
- A warm atmosphere in a nurturing small school environment
- Inspiring collaboration within a team of international and local educators

What we are looking forward to

- Your confident, cooperative and warm personality
- Your passion for teaching and solid classroom management skills
- Your positive collaboration within our team

What you need to bring along

- A qualification or equivalent degree that enables you to teach Crafts, Design, Technology at primary level
