

Real Estate

„After one month of operating your parking monitoring system, we have **received exclusively positive reactions** from our tenants. Retailers report **higher sales** as their customers now find **free parking space.**“

Challenges

- High parking pressure and parking disc implemented and implemented parking disc system did not meet the parking pressure
- Frequency of retail trade should be increased
- Increase of the stay quality for customers
- Availability for patients not given

Implementation

- Cancellation rights (property manager)
- QR code implementation for extended parking, doctor
- Onboarding (incl. whitelisting, cancellations, ...)
