X1

HMS

We advice the users to follow the rules applied at the location.

Safety equipment

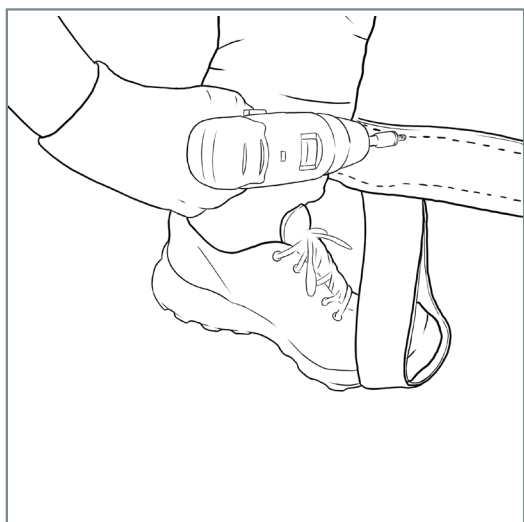

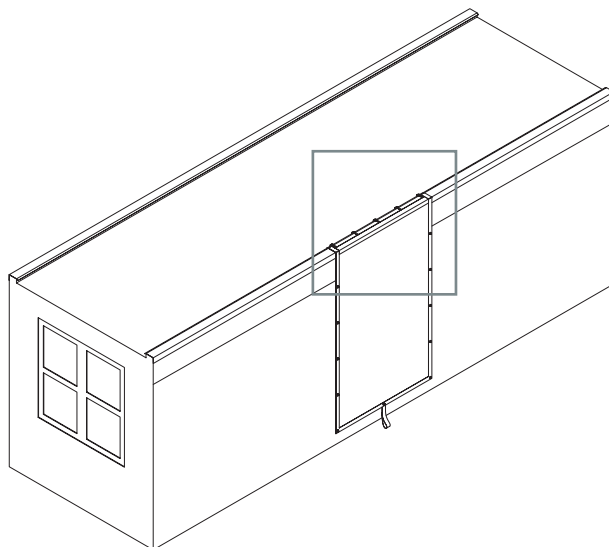

When working in heights mounting the Modulcover, we advice to use approved safety harness and equipment.

Mount the cover using the attached hooks.
If hooks are not available, use four screws and screw through the webbing.

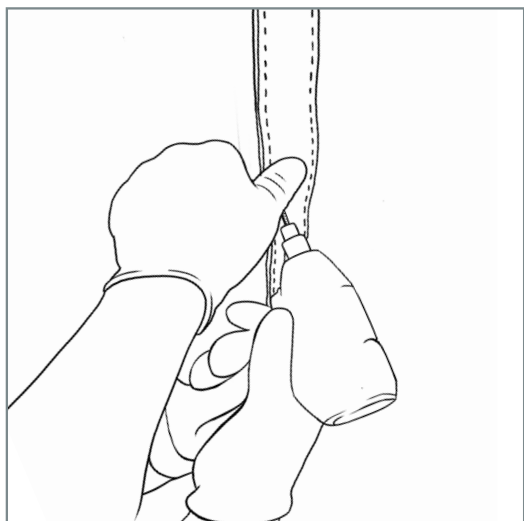

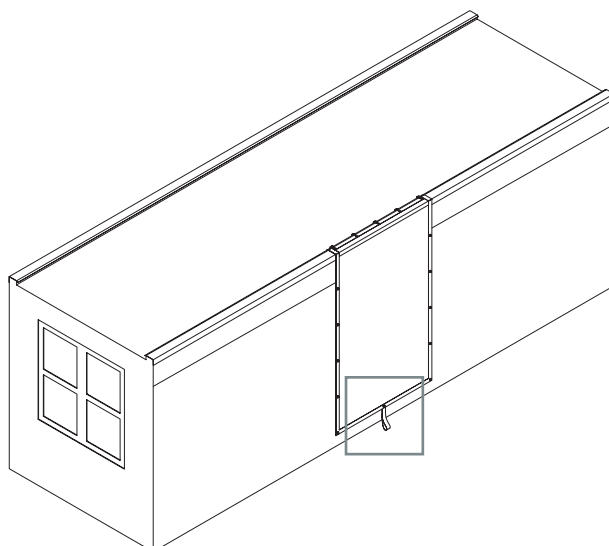

x4

Pull the cover down and set one screw in the middle of the cover.

x1

Finish the mounting with 4-5 screws on each side of the cover.

x4-5
