BOUNDLESS.LIFE | 2023

Arriving in Sintra is a little like time-travelling. It's a truly amazing place that has to be seen to be believed. Amazing historical monuments surrounded by mountains and lush green forest, with a thousand year old castle on top of it all - it's like a fairy tale brought to life. Your family is bound to fall in love with the sense of mystique in this place - whether they are climbing through the morning mist to explore the Pena Palace, or discovering the secrets of the famous 'inverted tower' of Quinta da Regaleira, you are sure to fall under Sintra's spell.

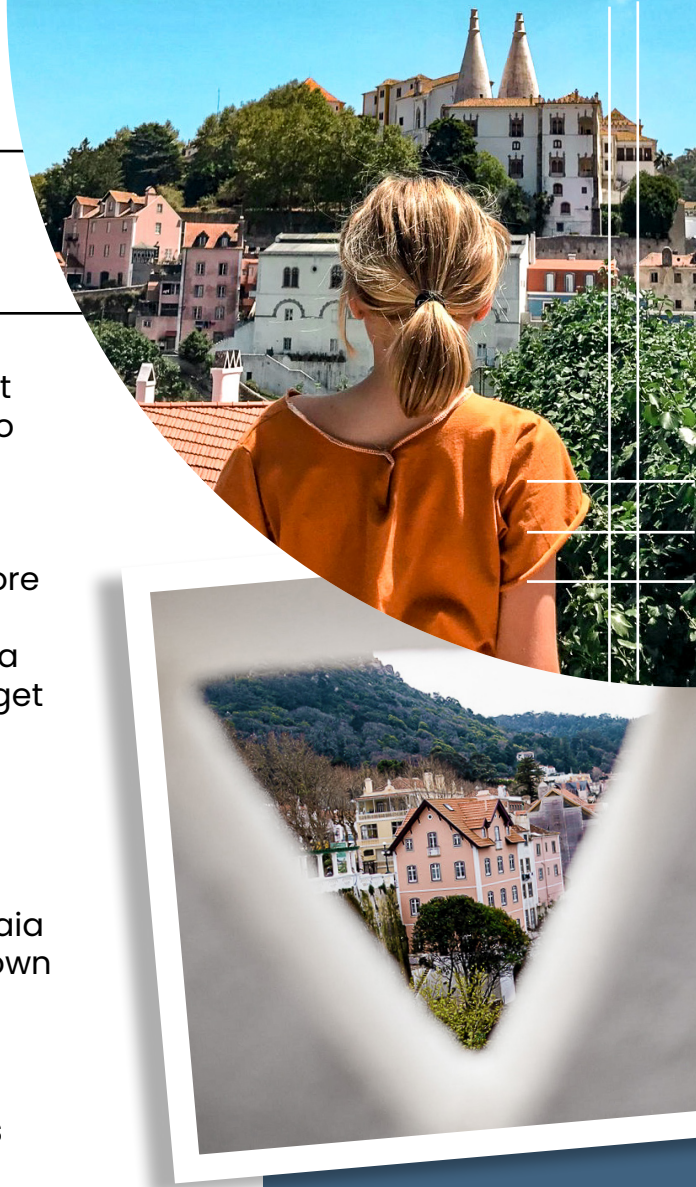

Your Boundless Base

Sintra is just a short taxi ride away from Lisbon airport (and return transfers are included in our packages so Boundless Life families can travel in comfort).

It is very unlikely that you will run out of things to see and do in Sintra itself, but should you choose to explore further afield, it is very well connected via the local train station and bus network. Uber and Bolt provide a convenient and relatively inexpensive alternative to get around.

- A 40-minute direct train will transport you to Portugal's bustling capital.
- A bus or Uber will allow you to explore the famous Silver Coast. Whether you want to go surfing at Praia do Guincho, or relax in the cosmopolitan beach town of Cascais, there is something for everyone within easy reach.

Here are some examples of the beautiful homes available in Sintra.

The map below shows you the location of our Boundless Homes, Education Centre and coworking space. All are within a scenic 10–15 minutes of each other.

Co-Working Hub

With views as far as the Atlantic Ocean from its huge wrap-around terrace, our Sintra Hub is the perfect spot to be inspired and collaborate with your community co-workers. Communal and individual desk space available plus private sound-insulated booths for meetings.

Education Centre

Nestled in a verdant valley adjacent to the historic centre, our EC encourages outdoor exploration and is a great spot for our Nature Time sessions, yoga and mindfulness or just to have fun with new friends.

Live like a local with our community programming

Our local team have carefully curated a diverse range of recurring and one-off activities, events and experiences* that leverage the unique features and seasons of Sintra. These will allow you and your family to truly immerse yourself in the local community and culture.

Specifically for the kids, the programming also offers our ever popular Extra-Curricular Activities (ECAs). Some of these your children can enjoy across our locations (Martial Arts, Spanish, Guitar) whilst others make the most of the culture and landscape of Sintra - including Surfing and Soccer.

*Some activities/experiences are included within your package and some incur additional charges. Your local team will share the monthly programme with you with plenty of notice so that you can plan your family time.
