

Homeowner Broadband

Keep new homeowners connected

Instant, secure & reliable Internet

Moving into a new house can be extremely stressful and setting up new utilities can be time-consuming.

Our temporary Homeowner Broadband solution helps ease the stress of moving by providing new homeowners with reliable connectivity from day one.

Homeowner Broadband – What’s it all about?

Broadband is no longer a luxury utility, it’s a necessity.

With our Homeowner Broadband solution, your homeowners can experience an instant, secure and reliable Internet connection from the day they move in. This removes the pain of setting up broadband with a traditional fixed-line supplier.

Our Homeowner Broadband solution is your gift to new homeowners, provided by us.

INSTANT HOMEOWNER INTERNET

24/7 support

Pre-order in
advance

Simple to
set up

Pre-loaded
with data

Connect
multiple
devices

Full UK
coverage

Give the gift of instant connectivity

One less thing to worry about

Pre-order in advance and give your customers access to fast Internet from the day they move in. Don't let them be governed by traditional fixed-line suppliers and their extensive lead times.

Simple to set-up

An easily managed solution that comes pre-loaded with data and the ability to set up multiple devices.

Improve your post-sales experience

Increase your NHBC and HBF scores by helping new homeowners secure connectivity from day one.
