

VIRTUAL EVENTS WITH KUDO

DELIVERING THE LATEST
MEETING SOLUTIONS

WHO IS THE PRESENCE GROUP?

THE LIVE AND VIRTUAL COMMUNICATIONS AGENCY

For over twenty years Presence has been providing businesses with a **translating** and **interpreting** service – along with the supply of all the associated **audio-visual equipment** needed for **conferences and meetings**.

We specialize in **multilingual events** (live, online or hybrid) and **tailor our services** to ensure you obtain exactly what you want.

The Presence Group is active in more than 30 countries and we have a **database** of more than **3000 translators and interpreters** covering all main languages.

All our translators and interpreters are **fully qualified** and have many years of experience with **multilingual, corporate and public events**.

At Presence, **we aim to be your strategic ally**, whether you are a conference organizer, an HR manager, a marketing professional, or a communications manager.

We do more than just translating and interpreting – we **ensure that your voice is heard clearly** and that your international communications are faultless, efficient and effective.

WHY DO WE PARTNER WITH KUDO?

Why did we choose KUDO? KUDO (www.kudoway.com) is a very reliable system with a high-quality and user-friendly interface.

Their flexibility is a real asset in today's booming market. Their main focus is on optimising end-user experience. That is why they are continuously upgrading the platform and working on new features that truly add value.

KUDO is not an ordinary **web conferencing platform**. It is specifically designed to run **multilingual** web meetings smoothly.

KUDO offers the latest cloud-based technology, combined with **professional interpreting** so you can meet globally in your own language. Accessible all over the world and on any device, KUDO has definitely reinvented multilingual meetings!

Follow presentations, engage in Q&A sessions, cast votes and exchange files as you meet. And most importantly, you do not have to be in the same room.
