CINQ USER PORTAL

The **Cinq User Portal** (CinqUp) is our proprietary in-house creator tech. It's available on desktop browser, or as a mobile app on both Apple and Android operating systems. **CinqUp** is a rights management, analytics, banking, content uploader, and delivery tool.

MEDIA LIBRARY PUBLISHED PRODUCT

Once you submit your product for review, our content experts will check to make certain that all metadata and media files **are ready for the DSPs.**

View your progress, check on all your Releases **as Draft,** Review and Published.

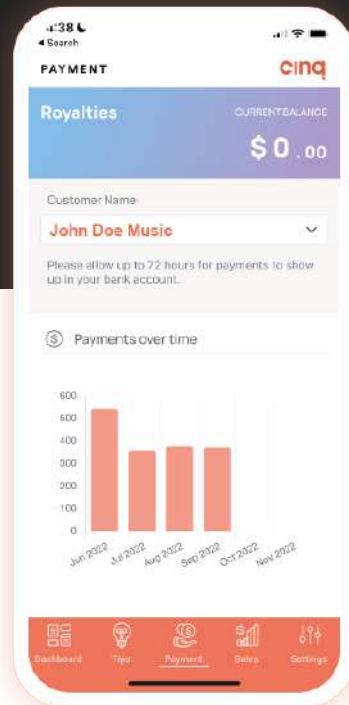

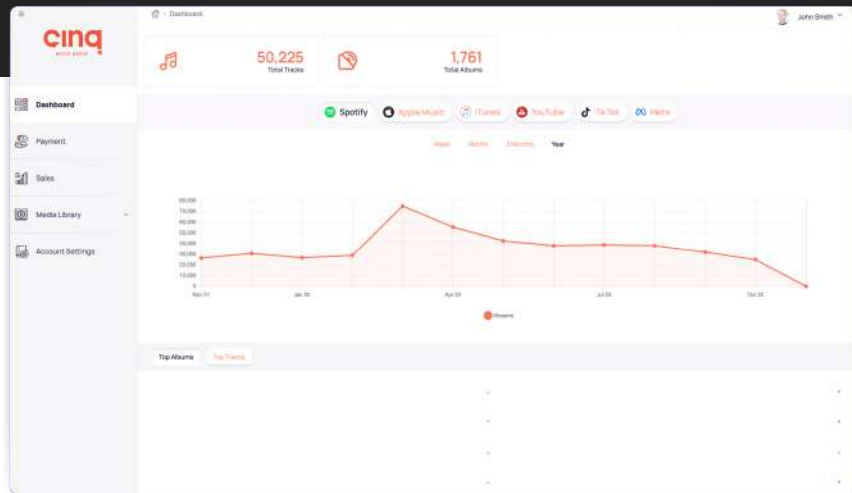

View release and track metadata **with ease.**

Confirm as various DSPs **receive your product.**

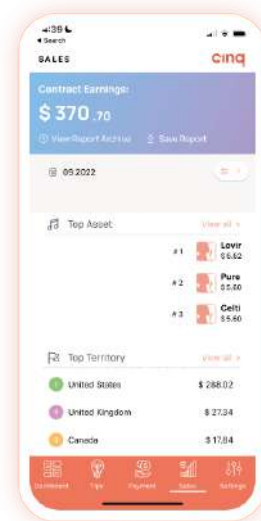

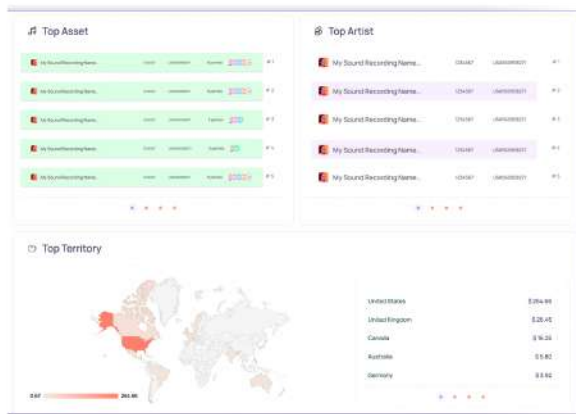

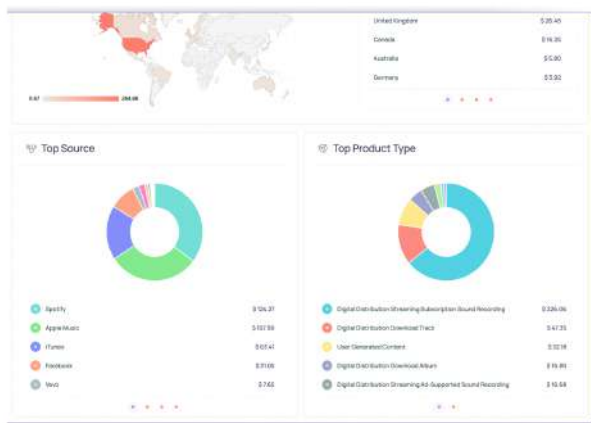

DASHBOARD

View real time performance metrics from **Spotify, Apple Music, TikTok, YouTube and Meta**, with more to come!

SALES

Analyze your sales data via the online sales section, or export your detailed reports in a variety of formats, each month as **royalties** are posted.

PAYMENTS AND BANKING

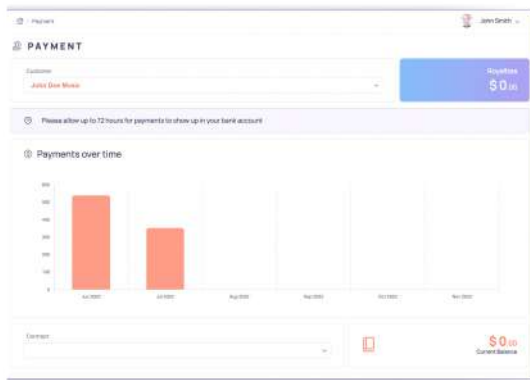

A screenshot of the Cinq account settings interface. The left sidebar contains navigation links: Dashboard, Payment, Sales, Media Library, and Account Settings. The main content area is titled 'PAYMENT SETTINGS' and features a progress bar with four steps, where the first step is active. Below the progress bar is a form titled 'Enter Your Information' with a warning: 'Please enter your details as they appear on your bank records. P.O. Box is not allowed.' The form fields include: Type (dropdown menu with 'Company' selected), Contact Email, Phone Number (with a plus icon), First Name, Middle Name, Last Name, Company, Address, Address 2, City, Zip, Country (dropdown menu with 'United States' selected), and State (dropdown menu with 'CA' selected). At the bottom right of the form are two red buttons: 'Edit' and 'Next'.

Seamlessly input your banking preferences via **payment and contact wizard**.
