\*2 C: Closed end, OR: Open-end Right-insertion, OL: Open-end Left-insertion.

\*3 Polyester 12mm tape.

\*4 Plastic slider with automatic lock function.

## Instruction For Use

- Zipper strength is lower than 5VS.
- Do not use this product for luggage/bags and shoes.
- Do not use this product on heavy garments.

This may result in loss of zipper strength, and in some circumstances cause breakage.

- Ensure product is completely closed when placing into a washing or drying machine. A partially closed zipper may become entangled with other items; resulting in damage to element, slider or other components.
