Features

① Suitable for light-weight backpack

This buckle is **low profile, light and compact**. It is perfect for **light weight items** like trail running backpacks. The socket has large flat surface where you can put your original logo.

② 2-way release buckle Easy to release especially with small size buckle! Even with bulky gloves on!

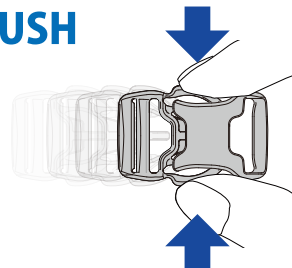

PULL

Because of the large side levers and the unique plug shape, you can pull and unbuckle with ease.

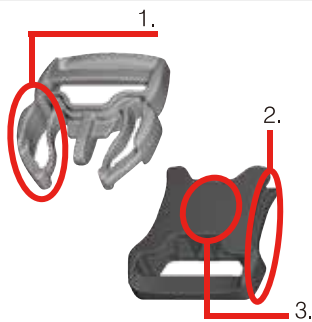

&

PUSH

The plug can be released with just a little push.

Product Data

1. Easy to unbuckle with the newly designed plug and socket.
2. With the slit on the side of the socket, the buckle became smaller and shorter.
3. You can put your original logo.

* Light weight and low profile. Please refer to the graph on the right.
