

Comet *Louise*

Place Stéphanie 20
1050 Bruxelles, Belgique

A photograph of a rooftop terrace at dusk. The terrace features several small tables and chairs, some with warm lights underneath. Potted plants are placed around the seating area. In the background, the Brussels skyline is visible, including the prominent dome of the Atomium structure. The sky is a mix of orange and blue.

Experts to make the most of your event

Facilitation

Our Chief Success Officer will advise you on the content of your meeting to put your day in orbit! Benefit from a qualitative contact with our network of facilitators to enable you to achieve the objectives set. Who are our 3 types of facilitators?

Facilitators & Moderators

They help you build the detailed agenda and animate the content of your meeting: prepare it with the project manager, coordinate brainstorming to achieve the objectives and summarize the day's exchanges.

Delivery Creators

They are there to immortalise the content of your exchanges, through the production of films, photos or illustrations.

Experts

They come to share their experience and expertise, to inspire and nourish your thinking.
