

SHINING A LIGHT ON GREAT EMPLOYEES!

PURPOSE

The goal of the South Central Service Cooperative (SCSC) SPOTLIGHT Employee Recognition Award Program is to recognize and get to know **SCSC members, staff, and partners for the outstanding contributions they make to their organizations**.

HOW IT WORKS

- Information about the SPOTLIGHT program and how to submit a name for recognition (by using an online form) is located at **mnscsc.org/spotlight**. Employees may be recognized by coworkers, supervisors, and SCSC members and staff.
- The employee's achievement or contribution and their photo will be publicized on social media and published in the SCSC E-newsletter.
- Honorees will be announced and recognized in February, May, August and November.
- Names for recognition may be submitted anytime throughout the year. Please limit your submissions to one name per quarter.
- All current and previous SPOTLIGHT honorees will appear on the SCSC website and will receive a framed certificate.
- Honorees will also receive a special recognition gift from SCSC.

The SPOTLIGHT Employee Recognition Award is a program of South Central Service Cooperative.
