## "User-Friendly Tool"

**What do you like best about PeopleHCM?**

User-Friendliness: PeopleHCM is easy to use and navigate and has a user-friendly interface and intuitive design, allowing users to access and utilize all its features.

Customization: It offers customization options that meet your organization's specific needs.

Data Management: Keeping track of employee information, performance metrics, and other relevant data is helpful.

Communication and Collaboration: PeopleHCM facilitates communication and collaboration between team members, managers, and HR personnel.

Customer Support: PeopleHCM has a great responsive customer support team to help resolve any issues and answer any questions.

**What do you dislike about PeopleHCM?**

Login and Log off options enablement would be a supportive feature
