PARKOUR NINJA CAMP

EVERY WEEK, ALL SUMMER

GET READY FOR CAMP

Our team is excited and ready to welcome back returning campers and bring new friends into the Breathe family this Summer. Breathe is dedicated to running quality, fun, and enriching Summer Camp programs for every athlete who comes through our doors. Through the practice of Parkour, our campers leave with fond memories, new friends, increased dedication, physical literacy, body awareness, resiliency, and confidence, all while having fun and learning through play.

See you at camp!

A DAY IN THE LIFE OF A PARKOUR NINJA WARRIOR

This is an example of what to expect from a day at our Parkour Ninja Camp. As we all know, kids don't exactly stick to a minute by minute schedule. Our trainers adapt the day to each group of kids and their specific needs!

Icebreakers & Warmups

Introductions, gym rules, icebreakers, warm up games, stretches, getting our bodies ready to do some Parkour.

Snack Time

Time to refuel and take a breather. Parkour is hard work!

More Skill Learning

THE FACILITY

In early 2023, we expanded! We tripled our square footage and have added a ton of new features and structures. The Airtrick is also permanently set up and we've added a huge Ninja Warrior rig!
