

Duet Partner's University Program

Give Your Students The Tools They Need to Succeed

Want to offer something uniquely valuable to your students without adding to your teachers' workloads? How about giving them the tools and skills they need to build a teaching business?

Our comprehensive music-studio software provides consulting, scheduling, and payment collection for independent music teachers. We supplement what's taught in the classroom without requiring any added effort from your faculty. With Duet, you won't just be graduating musicians, you'll be graduating the next generation of music entrepreneurs!

Here's what your students will get when you partner with Duet Partner:

Individual Duet Partner business management accounts that automate scheduling and payment collection.

Unlimited advising calls with music-studio consultants who specialize in small business finances, website creation, marketing and promotion.

Access to a 12-episode course titled "Setting Up An Independent Music Teaching Studio" focused on setting tuition, methods for taking lesson notes, establishing studio traditions, working with parents and more.

Access to a library of templates for studio policies, such as cancellations and late payments, as well as membership in our Teacher's Lounge Facebook Group for networking and further ideas.

Plus, a Duet Partner Certified Teacher seal for marketing use on website and other materials!
