

DTA PRINTABLE

Sometimes finding our clothes
in the morning is a lot of
work! Give us a hand, will
you???

Where did we
put those
clothes??

Directions: Using the list to the left, search for each item in the scene to help us find our clothes to get ready for our day! Put an “X” on each item as you find it.

Talking Tips!

Before you start:

Locate your core words on your communication book, board or device.

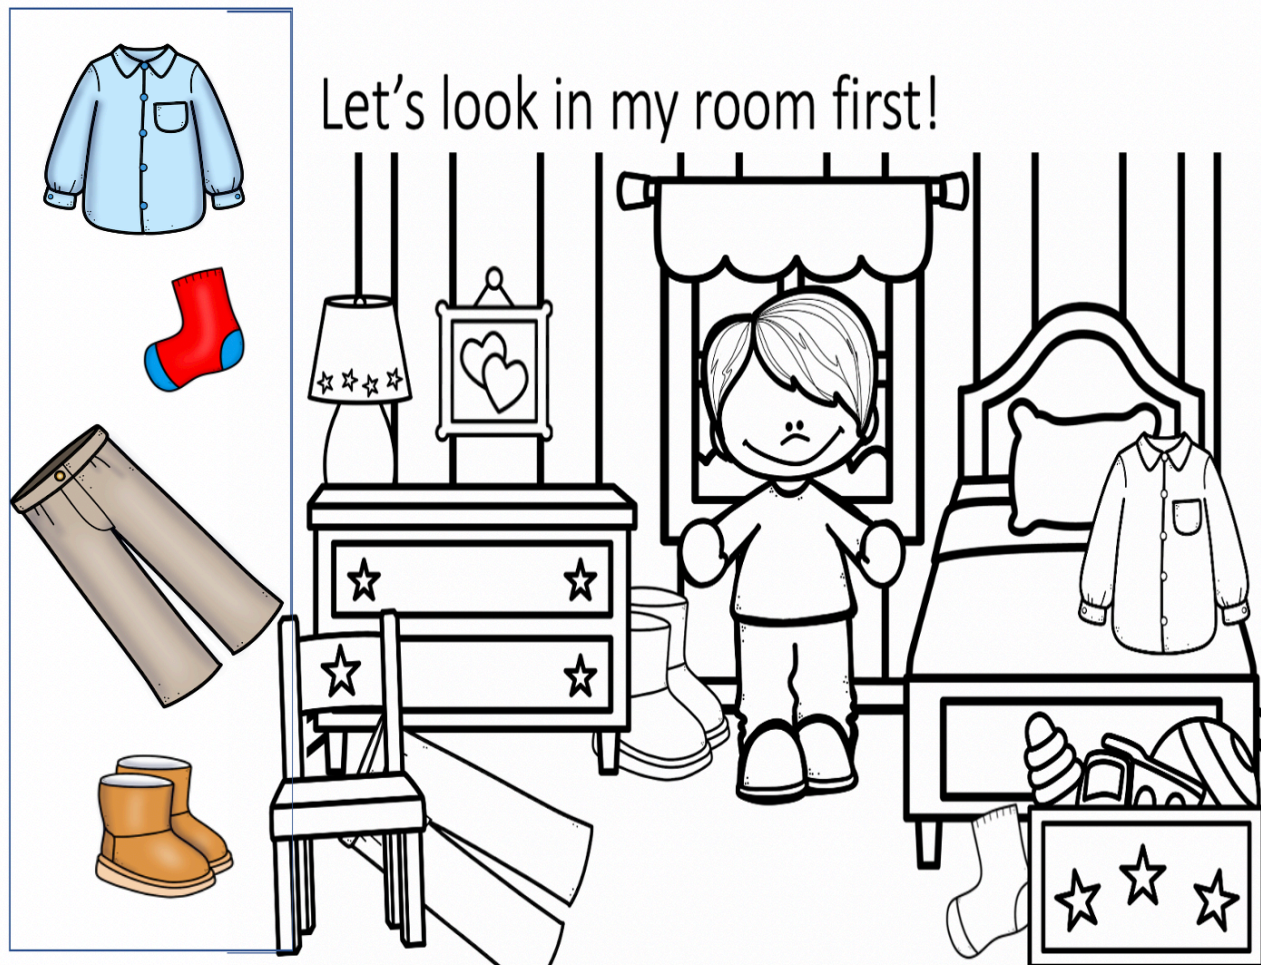

put all on
some

Next:

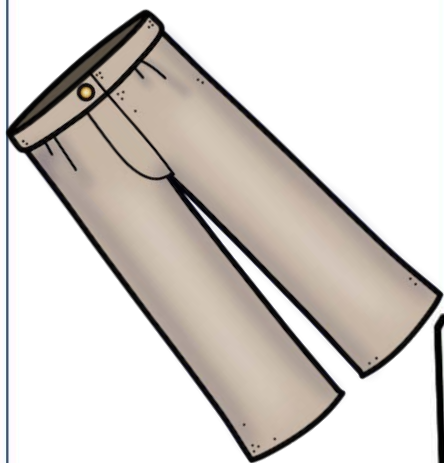

Go find the clothing category.

Then:

Talk to your student about how they will **PUT** an X **ON ALL** of the items on the list board. **Hear those core words? Point to the symbols for these when you say them out loud.*

Let's look in my room first!

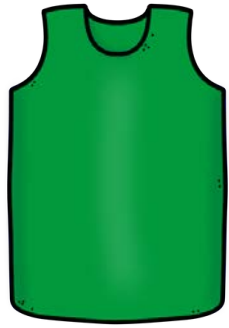

Let's look in Mom's room next.

Let's look in the bathroom next.

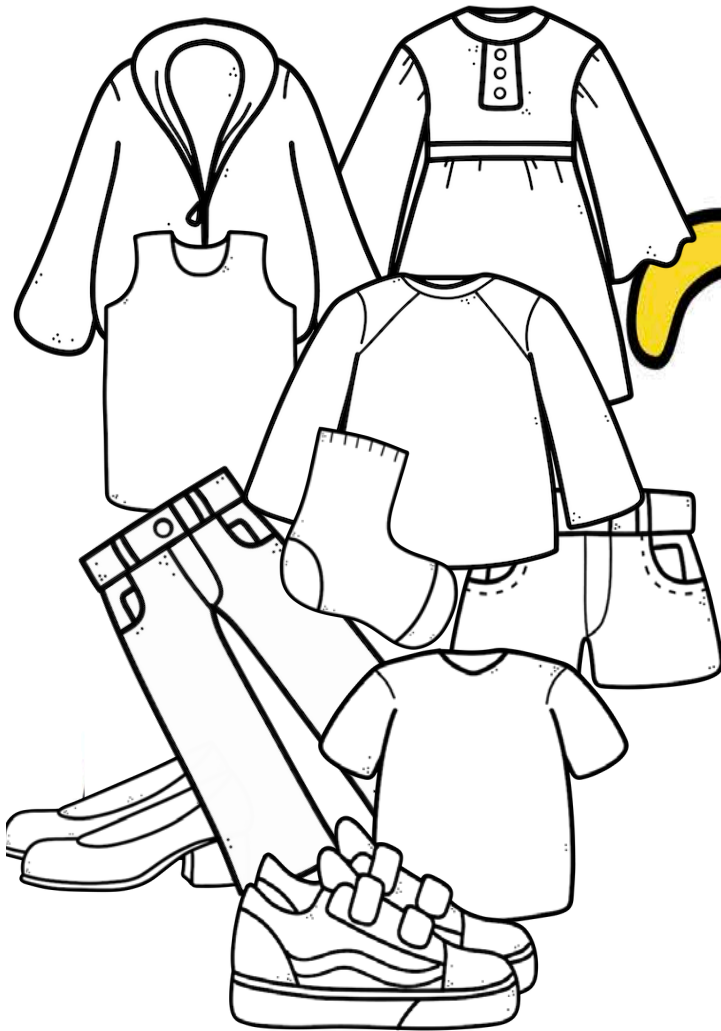

Let's look in the laundry room.

Where are my words?

Put a check mark on the board for symbol for each item of clothing you find from your list!

What if I don't
use a
communication
system?

That's okay! You can play
the match game just for
fun. Be sure to "say" the
name of the items as you
check them off!

is

you we want like need get to with in now all done

he she button dress wear take for here out good different

it this see zip put make of there up bad all

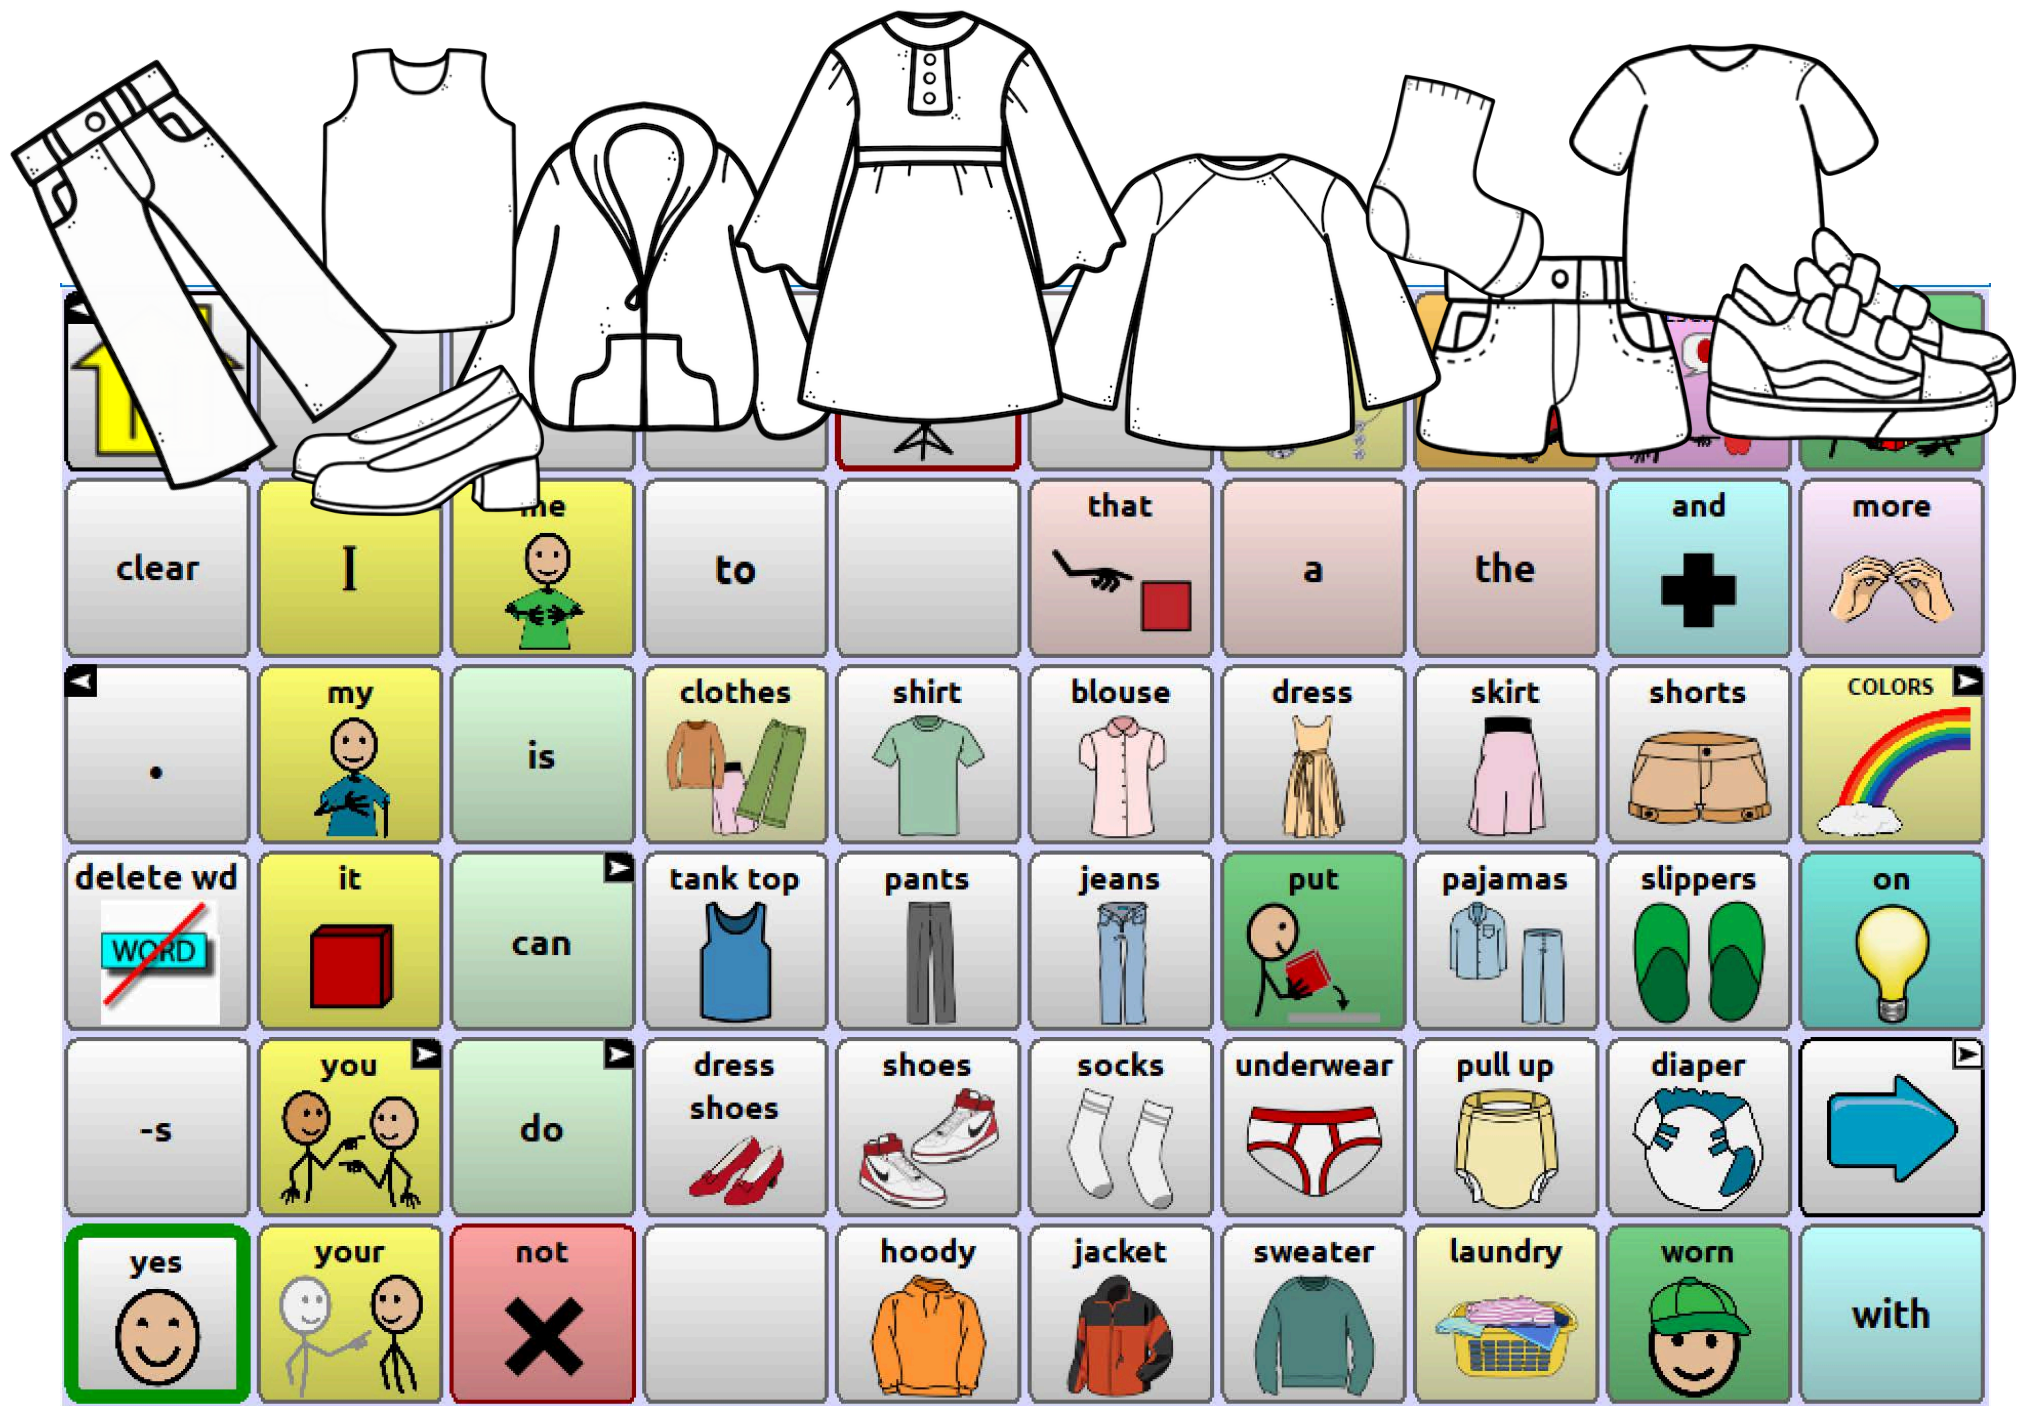

they that Colors clothes coat give on off down and some

the a dress jacket jeans nightgown pajamas pants shirt shoes skirt

slippers socks sweater sweatshirt underwear Dress shoes Tank top

2

Look at the items in your pile of clothing. "PUT" a check mark "ON" the symbols that match each item.

What if you are missing a symbol? Is there a different one you could use?

TOUCHCHAT APP/NOVACHAT

“PUT” a check mark “ON” the symbols that match each item.

Look at your communication board.
What symbols do you see for clothing that is NOT in your pile? (ex: “suit”).

The screenshot displays the SNAP + CORE FIRST APP interface. At the top, a dark header bar contains navigation icons (back, home, refresh, search) and the title "Main List: Clothing". Below the header is a row of action buttons: "Speak", a search bar, "Clear", "Delete", and "Share". The main area is a grid of 48 icons, each with a clothing item or attribute label: shirt, pants, shorts, Clothing Attributes, Accessories, Dressing Actions, All Word Lists, dress, jacket, sock, clothes, shoes, underwear, Little Words, belt, jeans, pajamas, skirt, T-shirt, hat, sweatshirt, sweater, coat, suit, tan, black, brown, white, red, orange, pocket, yellow, green, and blue. To the right of the grid is a large red heart icon with a white outline. At the bottom, a pile of clothing items is shown, including a pair of pants, a white tank top, a white hoodie, a white dress, a white t-shirt, a white sock, a white belt, a white t-shirt, and a pair of sneakers. The text "SNAP + CORE FIRST APP" is written at the bottom right.

SNAP + CORE FIRST APP

My Style!

We can write about how YOU like to dress. You PICK what YOU like!

How to write?

Students handwrite their answers.

Students point to the styles they like and partners write them down.

Students use their communication system or speech to say what they like.

Move the check mark to the item you like.
Then write about your choices at the end!
