

BRAVE NEW SPIRITS

OLD SMITTY'S

OLD SMITTY'S

TRADITION AND BRAVERY

A fine single malt, selected from one of Scotland's finest distilleries, matured in carefully selected casks to give a luxurious texture and complex, balanced flavour. A bold, mahogany hue leads to aromas of fruit and spices on the nose.

On the palate, the complexity continues with notes of vanilla, green apples and dried berry fruits, all in balance and leading to a subtle, lingering finish.

A rounded, easy-drinking everyday dram with perfectly balanced flavours and complexity. Bottled at 40%, so ideal as an every-day sipping whisky, or as a base for longer drinks and cocktails.
