OUR VISION

PIONEERING STAKEHOLDER CAPITALISM

OUR VISION

[STAKEHOLDER CAPITALISM] concept: a system in which long-term interests take precedence over short-term ones and where wealth is shared among all stakeholders: customers, suppliers, employees, investors...

\$XKI AND TOKENOMICS

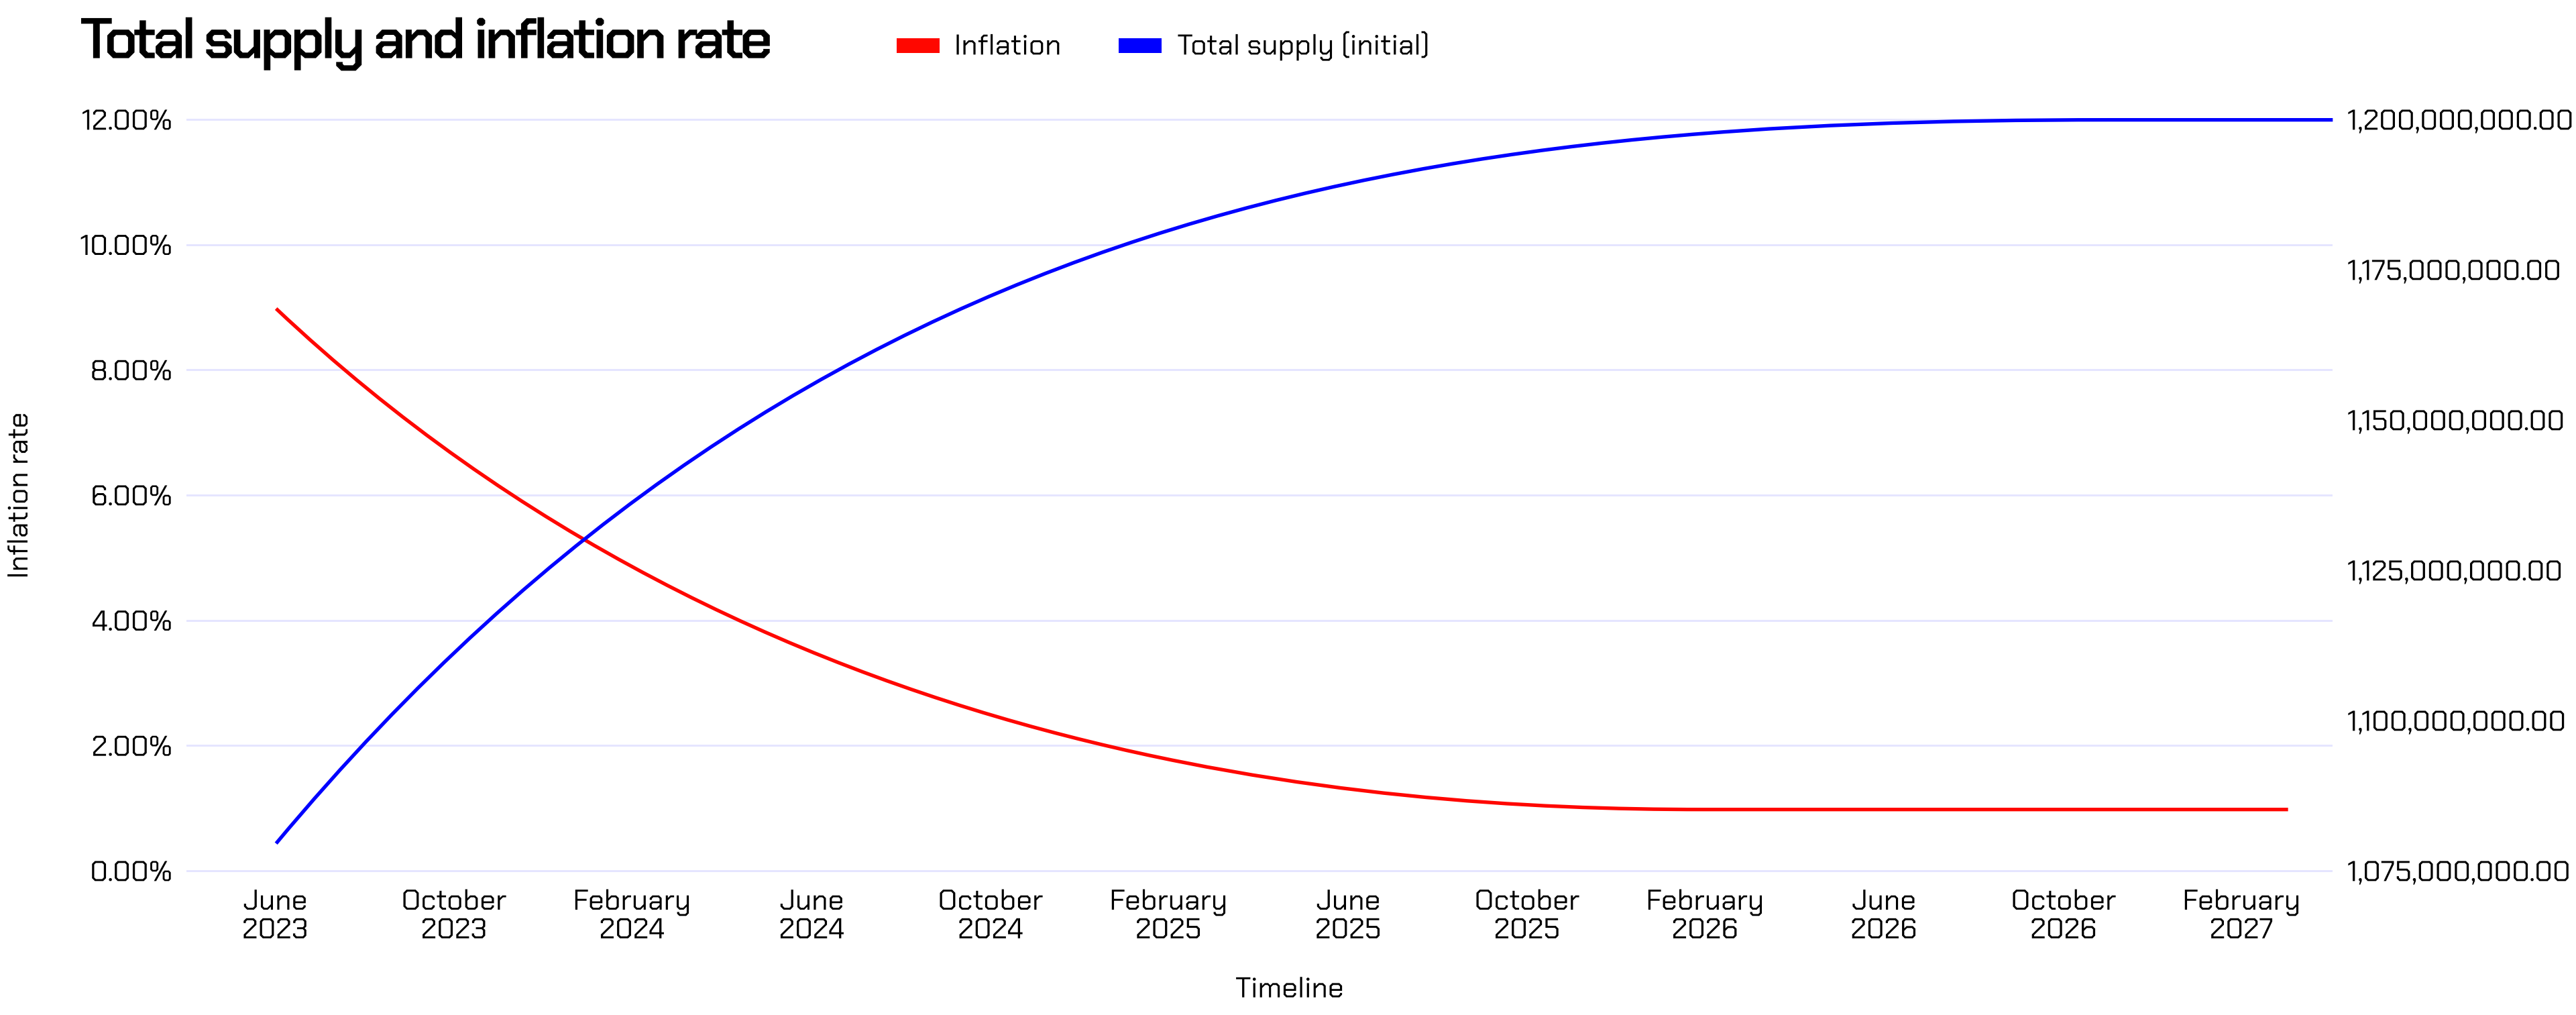

\$XKI AND TOKENOMICS

**\$XKI IS THE STORE OF VALUE OF THE KI ECOSYSTEM.
HOLDING \$XKI TOKEN IS HOLDING A SHARE OF THE
GENERATED VALUE WITHIN THE ECOSYSTEM.**

\$XKI AND TOKENOMICS

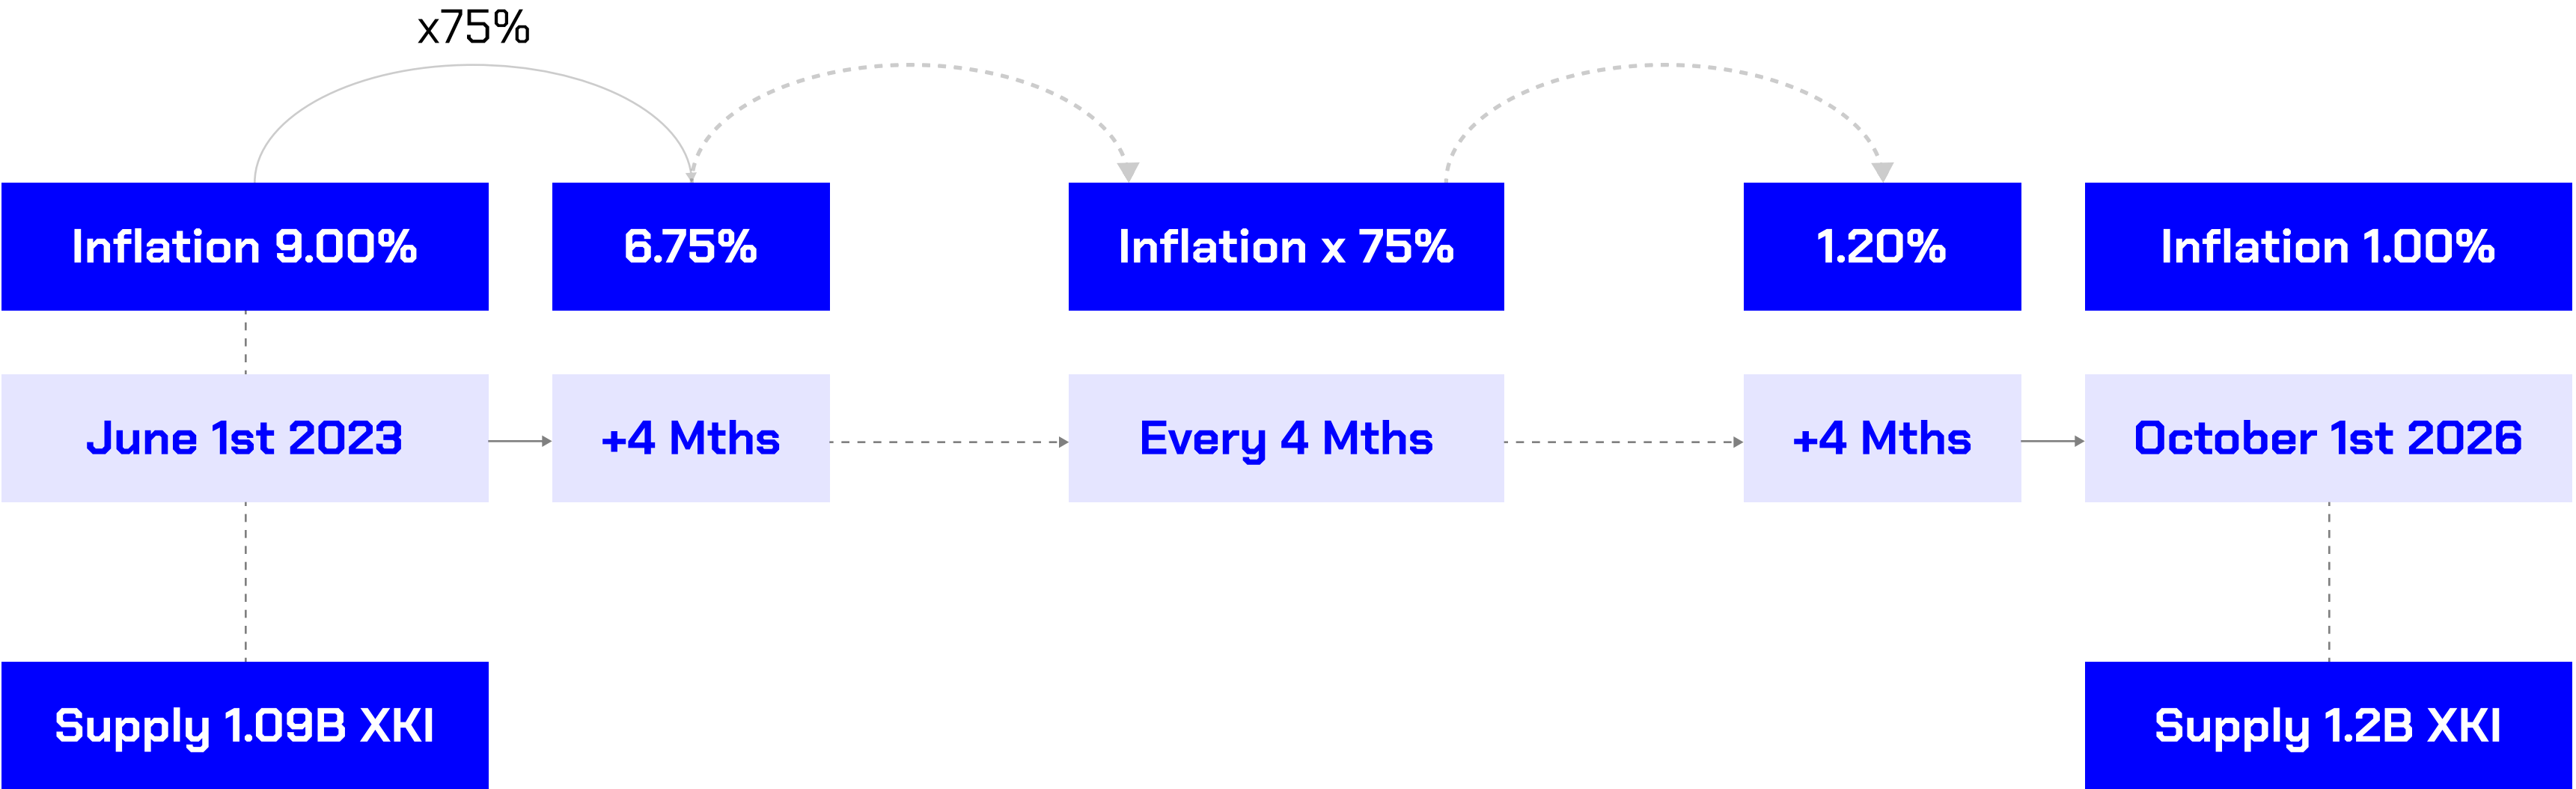

A limited supply of
1.2B \$XKI

A 1% inflation
target

\$XKI AND TOKENOMICS

The inflation rate reduction agenda guarantees a seamless transition from an inflationary system to a **value centric** economy

\$XKI AND TOKENOMICS

The maximum total supply is maintained through continuous **burn of the **Usage tax****

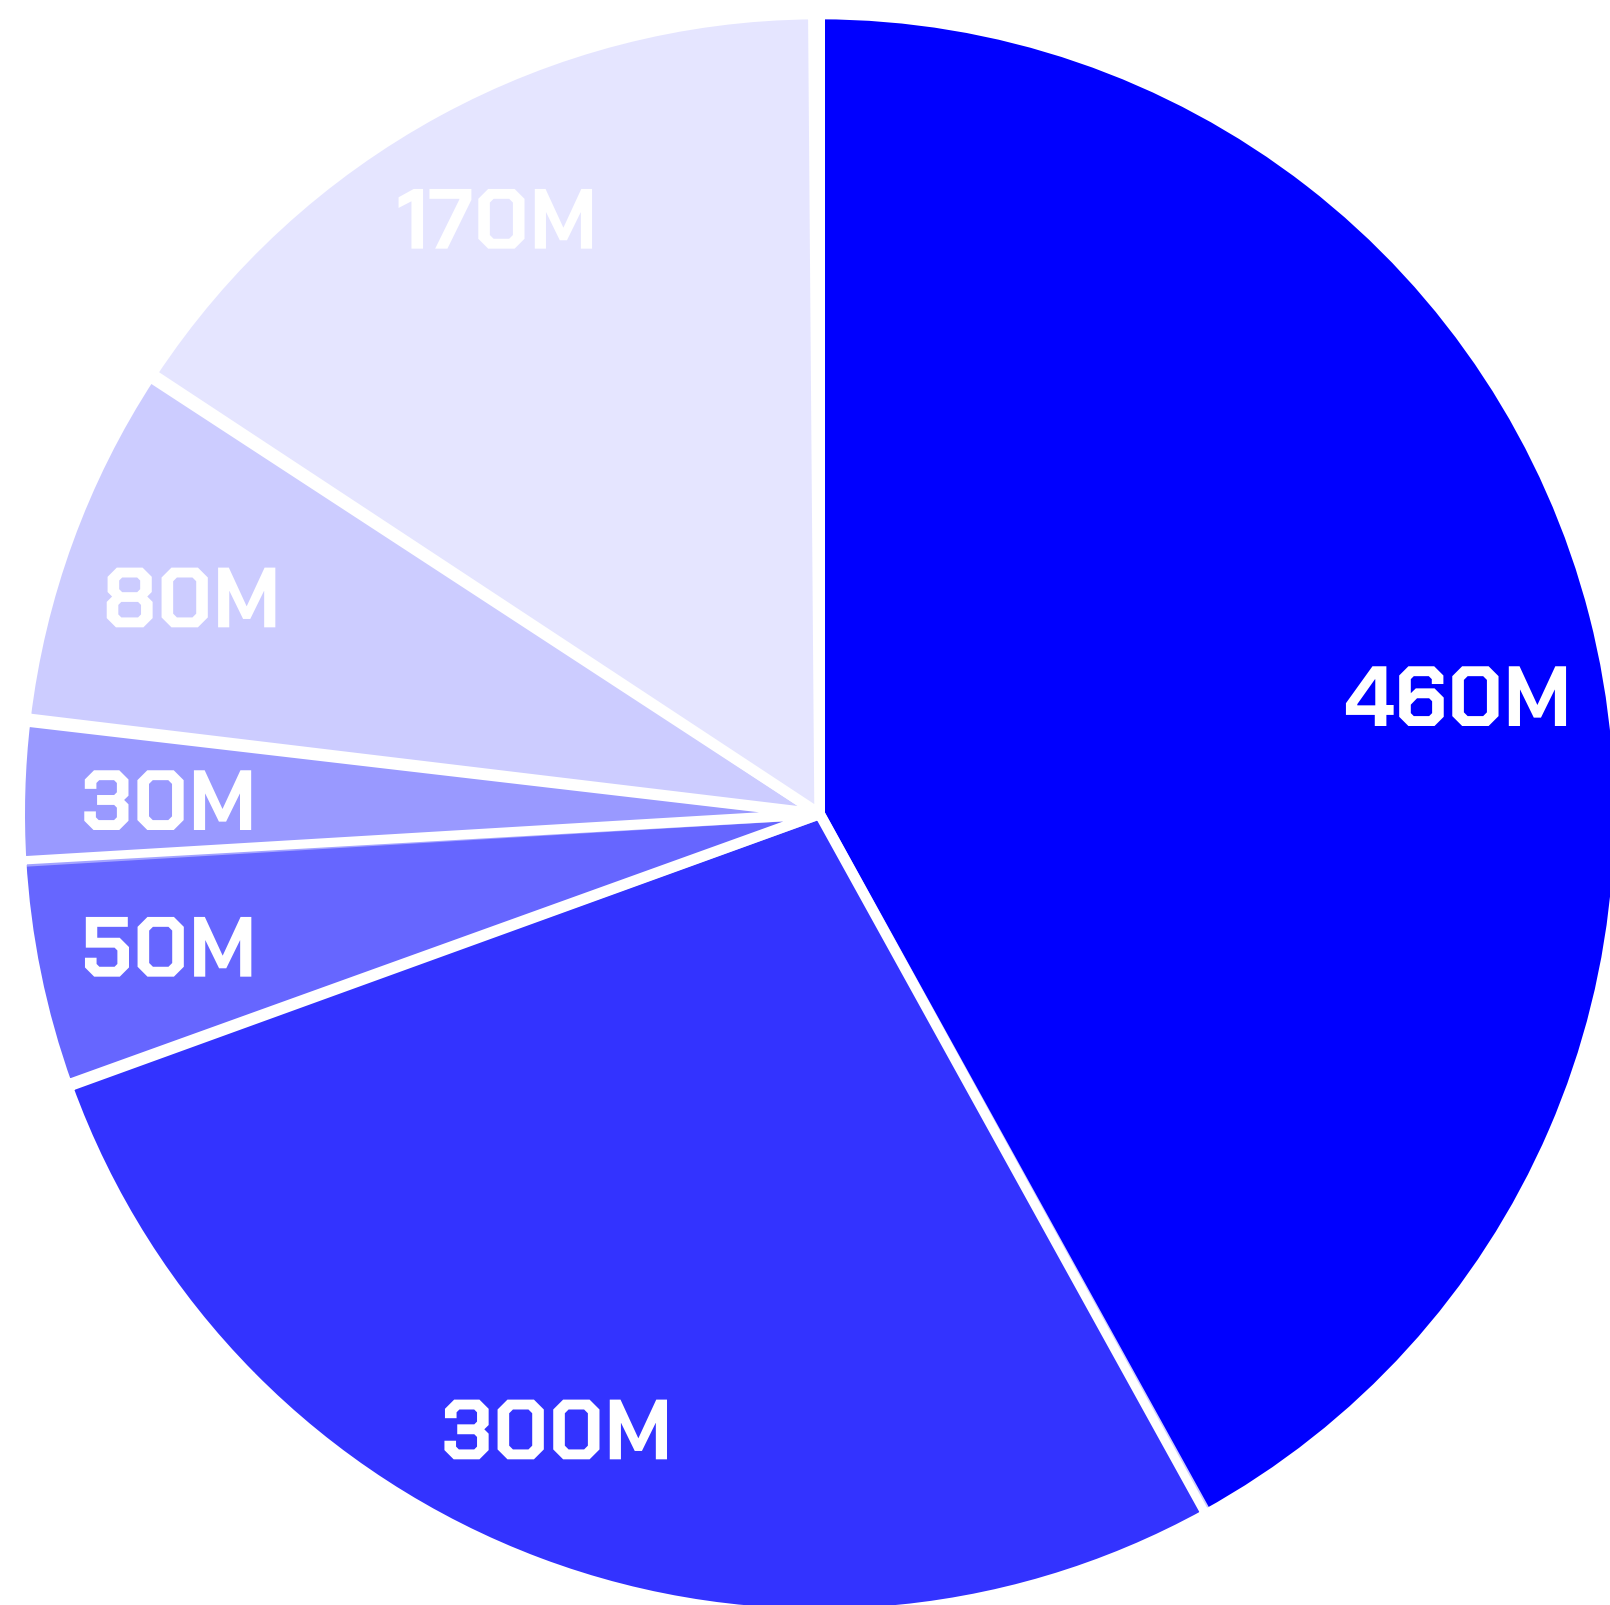

Usage Tax: Every product running on the Ki Chain and that generates revenue to its creator is subject to a tax due to the chain. This tax will eventually fuel the required burn entirely.
