Pouilly-Fuissé 1^{er} Cru 'POUILLY' Château du Clos

First planted in 1782 – and with Chardonnay no less, it is remarkable to think that this vineyard is only a few years older than the USA. An incredibly precise expression of top Mâconnais terroir in both texture and aroma, Frédéric-Marc Burrier chose his ten best barrels for this wine. It is vinous and juicy, pretty and complex, minerally and fruity. The flavors entwine perky tangerine with saline, savory spice nuance.
