but instead by the seeds you sow."*

Robert Louis Stevenson

Endowing 5% of Your Estate

In years past people typically stayed in the community where they were born and raised. Wealth passed from one generation to the next.

Sadly, wealth is leaving our community at record rates.

A recent study by Wichita State University for the Kansas Health Foundation reveals the transfer of wealth from one generation to the next is an opportunity in all Kansas counties for local charitable giving. Counties with aging populations, such as Cheyenne County, will find the transfer of wealth is declining in the next 50 years.

Together we can make a difference by investing our wealth into future generations.

Make your community an heir by giving at least 5% to the Community Foundation.

Building the Foundation of Tomorrow

“Alone we can do so little;
together we can do so much”

behind them in this world, but they carry
with them the reward of their charity and
the alms they give.”

—St. Francis of Assisi

“Do you want to know who you
are? Don’t ask. Act! Action will
delineate and define you.”

WHO WE ARE

OUR MISSION

The purpose of the community foundation is to encourage individuals to make tax deductible charitable donations to be utilized along with possible grants, government programs, government loans, and other funds. These combined funds can then be utilized to improve the quality of life in Cheyenne County.

OUR HISTORY

The St. Francis Community Foundation was formed in 2007, replacing the New Generation Fund Inc. In 2017, in order to grow and support county-wide programs, the foundation was renamed Cheyenne County Kansas Community Foundation. This new title and mission allows us to have a greater impact, and has led to a new partnership with the Greater Northwest Kansas Community Foundation.

HOW YOU CAN HELP

ENDOWMENTS

Consider leaving a percentage of your wealth to the Foundation. Endowments are invested into the principal fund; the earned interest is then invested into the community.

MAKE A DONATION

No donation is too big or too small. Every dollar raised will go directly to where it is needed most. All donations are tax deductible.
