There is one club with significant rewards...

RECOGNITION YOU DESERVE FOR THE LEGACY YOU LEAVE

Have you ever thought about how many organizations or clubs count you as a member? If you are like most people, you have cards in your wallet or purse that remind you that you belong. When you consider gyms, auto clubs, grocery stores, airlines, hotels and other businesses and organizations that you are a member of, the numbers can be astounding.

WE BELONG TO YOU

What if an organization belonged to you? Our legacy society is a membership organization that exists to serve and recognize you. The only requirement for membership is that you let us know when you have made a planned gift to our organization.

...you may already be qualified to join.

PROTECT AND TO SERVE

The primary purpose of the legacy society is to serve you. When you join, we recognize you with special benefits just for members, including special events, invitations, mailings and more. Our goal is to let you know how much we appreciate your decision to give and how your gift impacts our work. In addition, by getting to know you and your goals, we can make certain that your gift is used in the way you intend.

SIMPLE TO JOIN

Joining our legacy society is simple and easy. If you have made a planned gift of any kind and of any size to our mission, then you are eligible for membership. All you have to do is let us know. You can remain anonymous if you choose. Please call, e-mail or send us your information in the form below to make sure your wishes are followed and you won't miss any of the special ways we honor our members.
