While we take careful precautions to prevent cross-contamination, the possibility of trace amounts of allergens cannot be completely eliminated. We encourage anyone with severe allergies to inform our staff so that more specific advisement can be offered.

**Attention, customers with celiac disease:** Please be aware that despite our diligent efforts, we are unable to guarantee a gluten-free environment in our restaurant. As we make all our noodles on-site, the presence of flour particles in the air is unavoidable. We kindly advise exercising caution and considering this information before dining with us. Thank you for your understanding.
