  - This includes smart watches of any kind (i.e. fit bits, Apple Watches, etc.)
- Articles of clothing that display profanity, products or slogans that promote alcohol, drugs, sexuality, or indecency are prohibited.

### **Modesty Policy:** Clothing is to be modest, dignified, and appropriately suited to camp activities.

The following is expected of both ladies and gentlemen:

- Clothes that reveal the full body shape should be avoided. Tight form-fitted athletic apparel should not be worn as a normal clothing option.
- Shorts should be at fingertip length or longer when arms are held at the side. Pants may feature holes/rips only below fingertip length.
- It may be appropriate to wear compression shorts under loose-fitting shorts given the activities involved at camp.
- While indoors, shirts should be worn to cover swimsuits.
- Articles of clothing that display profanity, products or slogans that promote alcohol, drugs, sexuality, or indecency, or that communicates matters which contradict Church teaching are prohibited.
- Footwear is required at all times

For Ladies:

- Shirts should provide good coverage of chest and midriff (both front and back) throughout normal daily postures. Shirts should not be longer than shorts so as to give the appearance of not wearing shorts.
- Shirts that are considered undergarments are prohibited when worn as an outer layer. Spaghetti straps and bra straps must be covered. If sleeveless shirts are worn, they must not reveal undergarments.
- Leggings and similarly tight pants may not be worn unless a dress or top provides coverage of waist and butt.
- One-piece or tankini style suits are required for swimming activities. Suits should fully cover the chest and butt. If a swimsuit does not adequately cover either, shorts or a shirt will be required.

For Gentlemen:

- Shirts are to be worn by men at all times except when appropriate for activity participation
- Shirts should cover the full chest and should not be open at the sides, with arm-holes just below the collarbone or above.
- Trunks are required for swimming activities.

If not in compliance with the points outlined above, your camper will be asked to change, and if necessary, given something else to wear. Please check your child's bags before camp to save him/her the embarrassment and hassle of this having to be addressed. See Catechism of the Catholic Church, 2514-2527, for an understanding of modesty that is oriented toward respect for the human person.

**Important Note Regarding Medications:**

With the exception of asthma inhalers and EpiPens, no minor (under age 18) may possess any drugs, prescription or non-prescription, on their person or in their baggage at any time. Upon arrival at camp, all medications must be given to the nurse who will hold and disburse medications according to directives.

Medications must be registered online with your camper's reservation. (On your account, click on the camper's name, and find the Medications option underneath.)

All medications must be in the original container with the attached prescription directives. Medications not in an original container cannot be accepted. It is requested that all medications belonging to one camper be placed in one zip-lock bag and clearly labeled with the camper's name.
