

## TERMS OF USE

**Last Update Date: 16/08/2023**

You may not use Aptero services to:

- ◆ Engage in anything illegal or violate applicable law,
- ◆ Threaten, harass, or violate the privacy rights of others; send unsolicited communications; or intercept, monitor, or modify communications that are not intended for you,
- ◆ Harm users, such as using viruses, spyware, malware, worms, trojans, logic bombs, or any other malicious code or instruction,
- ◆ Deceive, defraud, commit, or attempt identity theft,
- ◆ Engage in illegal gambling or promote it,
- ◆ Degrade, intimidate, incite violence, or encourage harmful actions against an individual or group based on age, gender, race, ethnic origin, national origin, religion, sexual orientation, disability, geographical location, or other protected category,
- ◆ Exploit or harm children,
- ◆ Sell, buy, or advertise illegal or controlled products or services,
- ◆ Upload, transmit, display, or grant access to content that includes graphic depictions of sexuality or violence,
- ◆ Collect or harvest personally identifiable information without permission. This includes, but is not limited to, account names and email addresses,
- ◆ Engage in any activity that interferes with or disrupts Aptero services or products (or the servers and networks connected to Aptero services),
- ◆ Violate copyright, trademarks, patents, or other intellectual property rights of others,
- ◆ Violate anyone's rights to privacy or publicity.

You may not use any Aptero service in a manner that breaches the terms of use or license that applies to that specific service. You also may not sell, resell, or duplicate any Aptero product or service without our written permission.

These are only examples. This list is not exhaustive and may be updated. Aptero reserves the right to remove any content or suspend any user that it deems in violation of these terms.
